J. & D. A. HARQUAIL COMPANY, Limited
CONTRACTORS, — PLANING MILL, — BUILDERS.
DRY KILN, DOOR AND SASH FACTORY.
CAMPBELLTON, — — — N. B.

SHOWER BOARD
If you are building or going to complete some unfinished rooms, let us show you some shower samples, illustrating the beautiful color effects obtained by using this sanitary and durable board for walls and ceilings in all classes of buildings.
We carry a large stock in assorted sizes.

MAIL ORDERS
We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

Our Office is connected with the N. B. Telephone Co.'s line by two separate lines insuring prompt attention.
Office Hours—8 A. M. to 6 P. M.

FIRST MEETING OF TOWN COUNCIL

Standing Committees Appointed And Other Business Was Transacted.

The first meeting of the newly elected town council was held on Monday evening in the firemen's hall, His Worship Mayor McKay in the Chair, with Councillors Chamberlain, St. Onge, Belle-Isle, Bisset, Moore, Wallace, Duncan and Patterson present.

In calling the meeting to order, His Worship addressed the councillors briefly, calling their attention to the fact of their having been elected on the platform of economy, and he felt sure that each and every one of them would fulfill the pledge made. The ratemakers in this regard. There was of course much work requiring attention and in this respect he referred to permanent work upon our streets and sidewalks.

To carry out this work would in all probability require the issuing of bonds, and he was not sure that the ratemakers would this year approve of such a policy. However it was a matter which the council could after getting down to work discuss and decide as to whether it would be advisable at the present time to submit the question to the ratemakers for approval or rejection. He briefly referred to the overdraft and unpaid bills and expressed the hope that when their year of office expired both would be considerably reduced. He also expressed the hope of having the tax rate lower this year than that of last year, and pointed out the necessity of appointing good assessors, in order that there would not be so much inequality in the assessment as in former years. The assessors should be selected in order that the assessment could be got out early. Another important matter His Worship referred to was the importance of Councillors giving notice of motions in order that the various councillors would in the meantime have an opportunity of looking into them before being called upon to vote upon the question. He also stated that each committee would be held responsible for the management of their various departments, and it would be up to each committee to see to it that the employees under their charge satisfactorily performed their duties. In concluding his remarks he pointed out the necessity of giving a fair and impartial consideration to all matters brought before the board and expressed himself as satisfied such a consideration would be given such all questions with which the council had to deal.

At the conclusion of His Worship's address the minutes of the last two previous meetings were read and confirmed.

On motion the regular order of business was suspended in order to nominate the standing committees for the ensuing year.

His Worship appointed Councillors Patterson, Moore, Belle-Isle and Bisset a committee to draft the standing committees. On returning Councillor Bisset as Chairman of the Nominating Committee reported recommending the following constitute the standing committees for the ensuing year:—

By-laws and Legislation—Mayor, Bisset and Belle-Isle.
Finance and Auditing—Duncan, Mayor and St. Onge.
Assessment and Appeals—Belle-Isle, Patterson and Wallace.
Police and License—Patterson, Chamberlain and St. Onge.
Public Property and Streets—Wallace, Chamberlain and Patterson.
Water and Sewerage—St. Onge, Duncan and Bisset.
Electric Light—Bisset, Mayor and Duncan.
Fire Protection—Moore, Wallace, and Belle-Isle.
Education and Improvement—Mayor, Belle-Isle and Moore.
Public Charities—Chamberlain, Moore and St. Onge.

On motion the report of the nominating committee was adopted.

A communication was read from Mr. T. R. Busted informing the council that the Council of Mann had discontinued bushing the river road leading from Prince William Street to the wharf at Cross Point, owing to

DELEGATION TO GO TO FREDERICTON

Board of Trade Bound to Get Bridge if Pressure Will Bring It.

At a meeting of the Council of the Board of Trade held Tuesday afternoon in W. H. Miller's office it was decided that the delegation named at a recent meeting to go to Fredericton to press the bridge matter upon the local government, leave Tuesday February 8th.

This delegation will be composed of Messrs. A. T. LeBlanc, W. H. Miller and John Harquail. They will set the whole matter fully before the government and endeavor to procure a pledge of twenty-five per cent. of the cost from the New Brunswick government. With such an assurance it is felt the Dominion government can be prevailed upon to place an amount in the estimates this year and the work commenced.

CAMPBELLTON WINS AT FREDERICTON

Exciting Game Played Wednesday Night—Score 5 to 4.

Campbellton won from Fredericton last night before over 1,500 people in one of the most sensational hockey games ever played on local ice by a score of 5 to 4.

The winning goal was scored by Starrak, the Campbellton team's star centre ice player, on a pass from Big Pete McLean, their big defence man, after the teams had battled through the regulation game and eighteen minutes overtime.

It was the first overtime game played this season in the New Brunswick Hockey League and the result has probably eliminated Fredericton from further consideration as a contender for championship honors.

Campbellton played with a grim determination after Fredericton had started off with a lead of 2 goals, before the visitors could score. It was fast and hard played hockey all the time with the score see-sawing continually from the time it was tied up in the closing minutes of the opening period. With the overtime period started the teams were both showing signs of fatigue and pretty soon it became a case of which could outlast the other.

Substitutes were shoved into the game by both teams but the managers apparently failed to take chances with anybody but their regulars. The players were all at high tension and once Fred McLean of the Fredericton Club and Thomas of Campbellton took a couple of swings at each other with their hockey sticks and almost clashed in fistfights, for which they were banished for ten minutes each. Campbellton took the largest number of penalties as the rugged brand of hockey they play is bound to draw penalties.

McKenzie in the Campbellton net put up a far stronger game than did Bidlake, the local goal tender.

The Campbellton team appeared to be the fastest skaters and had it not been for Fred McLean, whose offensive and defensive work both counted for much, they would probably have won by a much larger score. Bert Burgess also scintillated for Fredericton, while Matthews and Starrak were Campbellton's best forwards. Payne showed a lot of speed in rushes and Pete McLean checked hard.

McKenzie was a stone wall, a regular wizard in goal for Campbellton and made some almost impossible stops and used extra good judgement in rushing out of net.

McLean of Fredericton was unable to get away. Campbellton were by far the fastest skaters and back checked hard.

Starrak and Matthews were all over the ice and always where they were needed most. Pete McLean and Payne made end to end rushes that were features of the game. Campbellton had the big end of penalties drawing 24 minutes to Fredericton's 18. At one time Campbellton had only three men on the ice.

Goals for Campbellton were scored by McLean, Matthews and Starrak. For Fredericton: Lounsbury, Colwell and Burgess.

Referee—Sandy Staples.

CAMPBELLTON WINS AT QUEBEC

Bring Home Holt Renfrew Cup—Close Contest Throughout.

The two rinks of Campbellton curlers who last week went to Quebec to participate in the curling bonspiel returned Monday after a most enjoyable and successful trip. They won in the Holt Renfrew cup games, and just as soon as the cup is properly engraved it will be sent to Campbellton where it will remain on exhibition for a time, and then goes back to Quebec, as it is a challenge cup. Thos. Wran skipped the successful rink, and the four members of that rink receive small, but very handsome cups.

Twenty-seven years ago two rinks of Campbellton curlers journeyed to Quebec and won out, so that the next generation show that they are still upholding Campbellton's reputation.

The Quebec Chronicle gives the following description of the game:—

The Final Game.

In the final for the Holt Renfrew Cup, in which Campbellton No. 1 and Caledonia, of Montreal, contested the right to hold this valuable trophy, some fine curling took place. At the 8th end the score was in favor of Caledonia by 11 to 4. From then the Campbellton rink realized that in order to win they would have to play with greater care, and from that point they gradually crept up on their opponents score until the 15th end, when they were only one point behind 12 to 11. From this period the play was one of keen judgment and splendid generalship on the part of the respective skips. Wran's (Campbellton) second played a beautiful stone which became shot and notwithstanding the many efforts of the opposing rink tied the score on the 16th end, which necessitated the playing of an extra end. Through the courtesy of both skips the play was continued from the upper end of the rink, so that all spectators could witness it from the Club House. A regular ding dong battle then ensued, and right up to the end it was anybody's game and in the last shot it was left to the Caledonia skip W. O. Roy to win or lose. He played a well directed runner missing his own stone by one-eighth of an inch, going through the port, and thus gave Campbellton, N. B. the honor of being the holders of the Holt Renfrew Granite Cup. The spectators were pleased at the result of this exciting game, as it was the first time that Campbellton had entered a Quebec Bonspiel, and they

MOUNT ALLISON

Campbellton Citizens Will Be Asked to Contribute \$1051.25 to Fund.

Because of the changed circumstances in reference to cost of management the Regents of Mount Allison Institutions of Sackville, N. B., are asking for a half million dollars from all friends of higher education throughout the Maritime provinces.

Every section of the Maritime provinces has been organized for the drive which takes place Feb. 7 to 13 inclusive and after careful figuring, Campbellton's objective has been fixed at \$1051.25.

It is the earnest desire of those interested in the drive that Campbellton shall go "over the top" and we ask that all who are approached will look upon this matter in the broadest manner.

A large adv. on page right sets this matter fully before you.

RECEIVED MEDAL.

Paul Bois of Dundee, received recently the 1914-15 medal for his son John Bois, who was killed overseas. His son was a member of the 26th Battalion and this is the third decoration which has come to his parents.

The steam from the Power House melting the ice too early in the spring. On motion the Street Committee was authorized to have the road bushed at once.

A communication was read from Miss Ethel Hogan, Secretary of the Campbellton School Board, asking that a census of the town be taken. Laid on table.

A communication was read from Mr. Wm. Taylor making application for the position of road commissioner. Laid on table.

A communication was read from Mr. R. B. Roseborough, Manager Bank of Nova Scotia, asking the council to place over this matter, and it was finally referred to the Fire Committee to report on at next night of meeting.

A communication was read from Mr. F. W. Holt, C. E., enclosing an account for \$576.20. Referred to Water and Sewerage Committee to report on at next meeting of the council.

A communication was read from Mr. F. Watson making application for the position of fireman at the electric lighting plant. Referred to Electric Light Committee.

The communication of Secretary of the School Board was then taken up and on motion the town clerk was authorized to write Miss Hogan acknowledging receipt of her letter and informing her the council was of the opinion that this was not an opportune time to take a school census, and the council would consider the matter at a later date.

There was considerable discussion over the town's overdraft and unpaid bills and the Finance Committee was authorized to get in all unpaid accounts as far as possible, and report at next night's meeting as to the town's financial standing in this respect, so that the ratemakers could be informed of the indebtedness existing when this council took charge.

On motion the Street Committee was authorized to have the town roads bushed over the road on Tuesday morning up as far as the cemetery gate.

Dr. Murray who was present was asked to address the council. He stated he had just come from a Board of Trade meeting, and the Board was anxious to know if the fireman's room could be had for holding the Board's meetings in. The matter was left in the hands of the Fire Committee to arrange dates, so as not to conflict with the firemen.

There being nothing further before the meeting, council adjourned.

STANLEY VENO WAS NOT ELIGIBLE

Decision of President of N. B. A. A. U. of Canada.

FREDERICTON, Feb. 1.—The official ruling of the A. A. U. of Canada in the case of Stanley Veno and the Chatham Club of the N. B. H. L. was received this morning. It follows:—

St. John, N. B., Jan. 31, 1921.

Clarence Wade, Secretary, N. B. H. L.

Dear Sir:—

With reference to the standing of one, Stanley Veno, of Chatham, who played in last Wednesday night's game with Chatham against Fredericton, would say that under our ruling, this man is the property of the Moncton team of the Eastern League, and was therefore not eligible to compete with the Chatham team.

Kindly take note of this.

Yours very truly,

A. W. COVEY, President M. P. B. A. A. U. of Canada.

If you wish to do a lot of work with your head, emulate the woodpecker and keep your mouth shut.

We were heartily congratulated on their success, by both the runners-up, spectators alike.

The winning rink was made up as follows:—

A. McLennan, M. M. Mowat, H. A. Carr, T. Wran, skip.
