Advertisements Show Where We Are Welcome

AN advertisement is a beckoning hand, a token of invitation, a sign of welcome.

A business serving the public should most certainly advertise—beckon, welcome, and show an eagerness to serve. The attitude of a business serving the public, yet which does not advertise, is not one of courtesy or appreciation.

To the People In and About Watford

You will have better service, not to say better values, if every retailer in Watford will advertise his business every week in The Guide-Advocate.

You may have more change in your purse—but, if you require help for your eyes, Nature will assert itself and you will suffer from eye strain. It will be better for you now and in the long run if you come here and let us help your eyes, now and for all time.

Fruit For Our Soldiers

Some five thousand Niagara Peninsula fruit growers are giving fruit at lowest cost, while Canadian womanhood is asked to prepare it. The Hamilton Canadian Club has started something; it is a movement which will spread throughout Canada. This great movement gives the sweet-peaches, etc., should be pared and sliced and spread as above, but turned often. To keep flies off, simply spread a piece of mosquito netting over the screen, trying a washer at each corner to hold it down against any breeze. When the fruit is perfectly dry make it up into packages of about seven (7) pounds weight, wrapped in paper or cotton and send it to the Red Cross section in your vicinity. They will undertake to forward it to the boys in the trenches. Dried fruits are equally acceptable for the hospitals. Take it to the Red Cross headquarters in your town, they will do the rest. Any club, society or organization which desires further information regarding this movement should drop a line to the Canadian Club, Hamilton, Ont., who have things well under way.

Death of Former Resident of Warwick

Mrs. Annie May Marshall, wife of Mr. Robert C. Marshall, of Calgary, died at her home in this city on Wednesday, July 14th 1915, at 9.15 p.m., after a long illness, the immediate cause of her death being apoplexy. Mrs. Marshall was 34 years old at the time of her death, and had been a sufferer several years from joint disease. During the last two or three years she was under the care of some of the most prominent surgeons on the continent. Before her marriage she was Miss Annie May Batchelor, of Warwick Township, and she lived in Calgary nine years. She leaves to mourn her loss her husband and little daughter Margaret, of Calgary; her mother, Mrs. Robert Campbell, of W. J. Shipley and two brothers, Messrs. Mason and Orville Batchelor, all of Calgary. Interment took place on Monday, July 19th, from the family residence 1935 Twelfth street west, to the Union cemetery in Calgary. The funeral service was conducted by Dr. Geo. W. Kirby, of Mount Royal College. The floral tributes were numerous, more than taxing the capacity of one carriage and the pall bearers were Mr. Hugh McClelland and Mr. D. J. McFarland, formerly of Forest.

WEAK, TIRED, DEPRESSED That is the Usual Condition of Persons Afflicted With Anemia.

Anemia is the medical term for poor watery blood. It may arise from a variety of causes, such as lack of exercise, hard study, improperly ventilated rooms or workshops, poor digestion, etc. The chief symptoms are extreme pallor of the face and gums, rapid breathing and palpitation of the heart after slight exertion, headaches, dizziness and a tendency to hysteria, swelling of the feet and limbs and a distaste for food. All these symptoms may not be present, but any of them indicates anemia which should be promptly treated with Dr. Williams' Pink Pills. These Pills make new, rich blood which stimulates and strengthens every organ and every part of the body. Dr. Williams' Pink Pills have made many a former invalid a well-to-do man. My parents in England I fell a victim of anemia. The usual complications set in and soon I became but a shadow of my former self. My mother, who had been a former nurse of many years experience, tried all that her knowledge suggested—tonics of various kinds were tried, and three doctors did their best for me, but without avail, and a continued gradual decline and death was looked for. "Later my parents decided to join my brothers in Canada, and it was confidently expected that the ocean voyage, new climate and new conditions would cure me. For a time I did experience temporary benefit, but was soon as ill again as ever. I was literally bloodless, and the extreme pallor and generally hopeless appearance of my condition called forth many expressions of sympathy from friends whom we made in our new home in Acton, Ont. Later a friend urged me to try Dr. Williams' Pink Pills, and although in a condition where life seemed to have little to hope for I decided to do so. After using three boxes I began to mend. Continuing I began to enjoy my food, slept almost normally, and began to have a fresh interest in life as I felt new blood once again running in my veins. Dr. Williams' Pink Pills brought about a complete cure and I am to-day in robust health. My husband is rector of this parish and I have recommended the use of the Pills to a great number of people with whom we have come into contact in the course of my husband's ministry, for we both know what Dr. Williams' Pink Pills can do." These Pills may be had from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

LOCAL HAPPENINGS

THE GUIDE-ADVOCATE welcomes all items of interest for this column. Call Phone 11, send by mail or drop items in GUIDE-ADVOCATE Letter Box. It looks as if Mr. J. Pluvius was drunk. SUMMER and the price of straw has gone the wrong way. Too many people are charitable publication only. SLAUGHTER SALE of summer shoes. P. Dodds & Son's. See ad. AFTER a shirt has been to the laund a few times it is pretty well done up. ON SALE, a limited quantity of ten lamps at 35c., at Electric Light Plant. The Northern Navigation Co. carry passengers between Windsor and Sarnia at a fare of \$2.00. THAMESVILLE young women between the ages of 11 and 18 are organizing a Company of Girl Guides. STRIPPED stockings are said to be coming back into style. Fashion spruce about as many atrocities as war. An exchange says:—"The choir of church on Sunday was full and the music was excellent." Some people can't better that way. CHARLES HENRY HOLLINGSWORTH has purchased the dwelling house on the north side of Huron street now occupied by him. THE man who won't fight for his country may be a coward, but the man who tells other men not to fight for their country is a cur. THE wheat crop in this section is pronounced by old-timers to be the best in their memory, running from 40 to 50 bushels to the acre. To "Things That Never Happen" Add this foolish crazy quirk: "I am taking no vacation. 'Cause I much prefer to work." A SPECIAL meeting of the Arm Progress Club will be held in the rooms this (Thursday) evening at 8. Members please take notice. ROUND corners for buildings are suggested. They would be desirable also persons who now elbow their way through crowded streets, and more comfort for the street corner loafer. THE REV. J. A. Snell, the newly-pointed Methodist minister to the Brock circuit, occupied the pulpit of the Methodist church in town last Sunday evening and gave a profitable discourse. FRENCH fighting is now taking place on the site of the Garden of Eden. A why not? As we understand it, the place was the home of the original self-mentioned "Eve of Battle." ALL accounts owing to the Corporation of Watford must be paid by the Sept. her meeting of Council, and all claims against the Corporation must be presented by that date.—W. S. FULLER, Clerk. A TRAVELLER from Toronto says a lot of unmarried men in that and several other Ontario cities are getting pretty hard these days. They are being thrown out of employment, and for many of them will be a case of starve or go to war. ON Sunday morning next, August 8, sacrament of the Lord's supper will be administered in the Methodist church. In the evening the service will be patriotic in character, when appropriate hymns will be sung and addresses given. THE usual Thursday evening service of intersection at city church will be held on Wednesday evening this week compliance with the request of the bishop of the diocese. Many of the congregation attended the union service in assembly afterwards. A LETTER from the Department of Education contained the information that the Carter Scholarships were awarded in 1915 as usual. This is good news to many students who were told the Department that they were not to awarded. THE rain it raineth every day. It wet spell lasts much longer we will be to think that the ancient Saint Swif still has Jupiter Pluvius under his influence and is taking revenge on our earth dwellers for disturbing his realm eleven hundred years ago. A RINK of Watford bowlers went Amherstburg this week to take part in the bowling tournament at that place. Rain interrupted with the contest on Monday and Tuesday and the bowling had to be postponed for a time. The Watford rink consisted of Rev. S. E. Irwin, J. McLaren, J. McKeencher and F. Lov. Six of the seven students of the Watford High School who wrote the Entrance Facilities examination were successful. Their names are C. C. Dolbear, H. Leach, M. E. Logan, C. A. Sullivan, H. Trenouth and J. Wordsworth. The Guide-Advocate congratulates them on their success. The showing is a good one for the school. RECRUITS from the County of Lamb are called to reinforce the 34th battalion stationed at London, Ont. The county furnished one hundred and fifty recruits to this battalion when it was stationed at Guelph. Of those sent here many have been forwarded to England and it is to fill the gap that men are required. Intending recruits will apply at the armory and, if satisfactory will be sent to camp to receive several months' training.
