Cottonade Bloomers, neat patterns, good wearers, at 50c. and 75c

Tweeds and Worsteds, 75c. to \$2.00

A. Brown & Co.

The Store That Satisfies

A Ford Car bought part by part costs only \$40 more than the list price of the complete car as against \$940 more for the parts of the average car priced around \$1000 and less.

\$940—cost, over and above the list price of the car itself, for enough spare parts to build the average touring car priced around \$1000 and less

\$ 40—cost, over and above the list price of the car itself, for enough spare parts to build a Ford touring car complete.

\$900—Difference in part by part cost of cars.

And remember, both by laboratory tests and actual service tests, the parts of a Ford car have proved themselves superior, part by part, to those of any other car.

Don't these figures drive home what is meant by the low upkeep cost of the Ford?

Ray Morningstar
Dealer for Watford and Warwick

Ford Runabout - \$480
Ford Touring - 530
Ford Coupelet - 730
Ford Sedan - 890
Ford Town Car - 780
t. o. b. Ford, Ontario

All cars completely equipped, including electric headlights. Equipment does not include speedometer.

GOOD-BYE TO LAMBTONS 149
Big Day of Sports at Sarnia.

Lambtons 149 is now preparing to say good-bye to the county, instructions for mobilization being under way.

The Battalion was authorized on November 26th, 1915, and after six months of strenuous recruiting it is nearly up to strength. Great credit is due the County for its generous response to the call for men and money. Recruiting officers were stationed at some thirteen points in the county, and the men as they enlisted were billeted and trained at local centres—a plan which has produced splendid results.

The men as a whole are a splendid body of troops, a credit to any district, men of whom Lambton may well feel proud, and who may be depended upon to give a good account of themselves on all occasions at home or abroad.

Plans are now being made for mobilization at Sarnia. In this connection a grand military field day will be held, crammed full of special features. Something to interest everyone is being carefully planned. This will be the Battalion's official farewell to the county and all citizens should try to be present for the occasion to show their appreciation of the brave boys who are offering their services in defence of honor and liberty.

The following are a few of the events for which arrangements have been made:—Grand Military Parade (149th Bn. Bands, Decorated Autos, etc.), Baseball, Football, Races and Field Sports, Boxing, Wrestling, Exhibition Drills by a Bayonet Fighting and Physical Training class.

Every possible arrangement is being made to make May 27th one of the biggest and most memorable days in the history of the county.

Sunday morning at 9.30 the Battalion will parade to Victoria Park where a special service will be held at which all churches will be represented. Music will be furnished by the Battalion Band and massed choirs from the city churches.

Special Excursion Rates over all Railway Lines leading into Sarnia have been arranged for the occasion. Spend the week end in Sarnia and give our boys a royal send-off.

Rexall Orderlies keep the bowels regular and healthy. Their action is gentle, mild and soothing. Sold only by Rexall Drug Stores, 15c and 25c boxes. J. W. McLaren.

CLEARING SALE
—OF—
FARM STOCK

Implements, Etc.

The undersigned has received instructions from

SAMUEL MILLS

R. BROCK, Auctioneer.

TORIC LENSES
THEIR ADVANTAGES

The comparatively new TORIC lenses are made with a deep curve—not flat—these lenses cover more fully the eye and give more up and down and side to side vision than any other form of lens.

This deep curve saves the muscles of the eye and prevents eye strain. They can be made in any focus to suit any sight. If your glasses require changing try TORIC lenses this time. We assume all responsibility for their being satisfactory. The best is the best.

Change in Name of O. A. C. No. 72 Oats

At the Ontario Agricultural College for each of nine years in succession the O. A. C. No. 72 variety of oats has surpassed the Banner in yield per acre and in quality of grain. It has been the most productive and the most popular variety in the co-operative experiments throughout Ontario in each of the past five years, and it was awarded more first prizes than any other variety in the Field Crop Competitions with oats on 2,138 farms in the Counties of Ontario in 1915. In some of the Competitions in both Eastern and Western Ontario it received all of the prizes offered.

Thirteen years ago the O. A. C. No. 72 variety of oats was originated at the Ontario Agricultural College from a single seed. It has made the best record of over three hundred varieties obtained from various parts of the world, and which have been tested out at Guelph for five years or more.

A member of the firm of L. P. Gunson & Co., of New York State, visited the College, saw the O. A. C. No. 72 oats growing in the experimental plots, secured our reports, ascertained the source of seed, and early in 1915 bought six hundred bushels, at \$1.40 per bushel, from a farmer living within ten miles of the Ontario Agricultural College. We have just learned that the name "O. A. C. No. 72" has been changed to "Imperial", that the College records have been appropriated, and that the reported yield has been increased about six per cent., as the standard weight per bushel of oats in the United States is 32 instead of 34 pounds. These oats, under the name of Imperial, have been advertised extensively in catalogue form, and numerous agents have been travelling from farm to farm over Ontario and elsewhere during the spring of 1916 selling this re-named variety of oats for \$3.18, and upwards, per bushel. The oats were advertised in exactly the same way by L. P. Gunson & Co., and by Geo. K. Higbie & Co., also of New York State, whose catalogues appear to be identical except in title pages.

First class seed of the O. A. C. No. 72 variety of oats can now be purchased in abundance from Ontario farmers at \$1.00 per bushel.

C. A. ZAVITZ,

Ontario Agricultural College,
Guelph, Canada.
May 20th, 1916.

Frost Damaged Fruit

Alvinston, May 22.—The recent heavy frost, which visited this district, did considerable damage to some of the small fruits. The first blossoms of the strawberry plants have mostly all been destroyed, and as a consequence this fruit will be later this year and not in abundant quantities.

Falling Hair and Dandruff can be stopped, and the growth improved, by Rexall "93" Hair Tonic, which all Rexall Drug Stores guarantee. J. W. McLaren,

LITTLE WORRIES

IN THE HOME

It Is These That Bring Wrinkles And Make Women Look Prematurely Old

Almost every woman at the head of a home meets daily many little worries in her household affairs. They may be too small to notice an hour afterwards, but it is these same constant little worries that affect the blood and nerves and make women look prematurely old. Their effect may be noticed in sick or nervous headaches, fickle appetite, pain in the back or side, sallow complexion and the coming of wrinkles, which every woman dreads. To those thus afflicted Dr. Williams' Pink Pills offer a speedy and certain cure; a restoration of color to the cheeks, brightness to the eye, a hearty appetite and a sense of freedom from weariness.

Among the thousands of Canadian women who have found new health through Dr. Williams' Pink Pills is Mrs. N. Worrall, Broughdale, Ont., who says:—"After the birth of my second child I was so weak and run down that I was unable to do anything. The doctor said I had scarcely any blood in my body. I could not walk half a block without being completely exhausted and all the treatment of the doctor did not seem to help me. I called in another doctor, but with no better results. My feet and legs became frightfully swollen, I suffered with severe pains in my back and sides. I would be all day dragging around at my household work, and I was beginning to give up all hope of recovery. I had been urged to try Dr. Williams' Pink Pills, but like many others, thought they could not help me when doctors had failed to do so, but after much urging I decided to try them. To my surprise in a few weeks I found myself getting better. I then gladly continued their use and found myself constantly growing stronger, and eventually able to do my house work without fatigue. I strongly advise every weak woman to give Dr. Williams' Pink Pills a fair trial."

You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Something approaching the proportions of a tidal wave struck the lake shore at Grand Bend on Monday when a wall of water six feet high rushed into shore, moved the fish house from its posts, hoisted the boats high and dry on the north bank of the Cut, and pushing up the Cut, destroyed a portion of the abutment of the big bridge. Nothing of like nature was ever before witnessed at the Bend.

Wall Papers

There's an easy chain waiting for you in our Wall Paper Department and we'll be glad to show you through our samples.

Why send out of town when you can come here and make your selection at leisure.

You have the advantage of seeing how the goods look before you buy.

You won't have to keep one or two rolls which may be left over and there is no delay in getting an extra roll should you require it.

You don't need to send your money before you get the goods.

Our prices are reasonable too.
