## Quick Hauling to Market

JUST think of the time the Ford saves a busy farmer in hauling milk to the cheese factory—vegetables, butter, eggs and poultry to market—fruit to the railway station. One fruit grower, last season, made four trips a day to the railway station, a total of 144 miles, and carried as high as 72 crates of 11 quarts each on a trip. He couldn't have made more than one 36 mile trip a day with a team.

The Ford soon pays for itself in the time it saves the farmer. With help so scarce, every farmer needs to make use of every precious minute of his time. To him the Ford car is a real necessity. Indeed, some farmers tell us that it is doubtful if they could carry on their farm work under present labor conditions if it wasn't for the time the Ford saves them.

No farmer need be without a Ford. In fact, the average farmer could afford one if it were double the price. It is as easy to drive as a horse, three times as fast, and costs less per mile to run. Why not order one today?

LOOK TO THE FUTURE

Times may change and work become less plentiful for you with advancing years and you will have no such help anywhere as your nice little few hundred dollars saved in some sound Canadian Bank.

Begin now with only one dollar. Make a hobby of it. See how far behind you can leave trouble and hard times. Above all things do not look backward in your run to the harbor of comfort.

### Lambton Deanery

The Spring meeting of the Deanery, of Lambton, was held in Christ Church, Forest, on Thursday last, morning, afternoon and evening. All parishes were represented except the southern most in the county, but the attendance from the others were exceptionally large, this with a fine program made the meeting one of the best in the history of the deanery.

Among those present and taking part were Rural Dean Davis, Rev. F. Newton and Mr. Gabler of Sarnia. The latter gave a very interesting address on "Production" from the Sunday school teachers' viewpoint. Canon Davis had many interesting reminiscences of parish life, while Mr. Newton gave a very suggestive devotional address on "Natural Dependence" at the Communion Service in the morning.

Watford was represented by Rev. S. P. Irwin, County S. S. Inspector, Col. Kenward, Deanery S. S. Association President, Mrs. A. G. Brown and Mrs. (Dr.) Newell. At the S. S. conference in the afternoon the three former participated in the program. The inspector and president's reports were received, Christ Church S. S. heading the diocese of Huron in per capita missionary giving. Mrs. Brown gave a stirring paper on Encouragement and Discouragement of S. S. work.

Alvinston had a large delegation present, also Warwick. Mrs. W. M. Shore, an expert herself, gave a Practical Demonstration of the Teacher Training course to a large and interested gathering of ladies in the morning.

The Rev. J. W. J. Andrews of St. Thomas, Sec. of the Missionary Society of Canadian Church in Huron Diocese spoke to a large gathering in the afternoon and Rev. Dr. Haslan of Kangra, at the evening service. The Doctor's many reasons for not calling on fellow citizens of the Indian Empire "common or unclean," backed by many apt stories from his own experience, left a profound impression upon his hearers. In an unforgettable way for over one hour and a half he unfolded the fascinating characters of India.

Among others present were Rev. W. T. and Mrs. Hill and Mrs. Corey, Petrolia, Mr. and Mrs. McCordic and Mrs. Joynt, Camlachie; Mr. and Mrs. Brownlee and Rev. N. Williams, Alvinston; Mr. and Mrs. Dean, Warwick; Mr. and Mrs. Vance, Warwick; Rev. H. B. Metcalf, Courtright; Rev. W. Ashe-Everest,

Thedford; Rev. A. H. Rhodes, Point Edward.—Standard.

### Solve This Problem

During the month of January, 33,600 bushels of Canadian potatoes were sold in Havana. They brought \$2 a bushel, the highest price ever paid there. About that time Canadian consumers were paying \$2 50 a bushel. Now, will some one, who has a heap more brains than we have, please tell us why Canadian potatoes should sell for less in Cuba than they do in Canada?
