CURE OF A DESPERATE CASE OF RING.

Lima, 13th of November, 1849.

One of the most eminont Surgeons in Lima (the Capital of Peru) had a child covered with Ring worm for more than 6 years; in vain he exhausted all his art in his endeavours to effect a cure. Not succeeding he consulted among his brethren, the most celebrated medical practitioners of the City, but nothing was found to do the child service.

When he was persuaded by Br. Joseph P. Hagne the English Chemist and Druggist, residing at No. 74, Calle de Palacio, to try Holloway, 8 Pills and Ointmeut, which was done and after using six large Pots of the Ontment, with a proportion of the Pills, the chi'd was radically cured, to the surprise of the whole medical profession.
