SHERIFF'S SALE.

On Saturday the 23d day of December
next, at 12 o'clock, will be sold by Public
Auction, at the Court House in Saint
Andrews:—

1. The right, title, interest, and claim
whatsoever of Otis Turner, to the
following properties situate in the Parish
of St. Patrick, viz:—

The northern quarter of the southern
half of Lot No. 8, bounded by the Dugde-
gash grant, and by lands owned by Sarah
Hanson and Isaac Turner, containing 50
acres, more or less; and

The Lot at present occupied by the said
Otis Turner, containing 25 acres, more or
less, with the buildings thereon.

The same having been seized and taken
by virtue of an execution of *Fieri Facias*
issued out of the Supreme Court, at the
suit of George Hobbs, endorsed to levy
£50 7 10, with interest on the sum of
£53 16 10, on the 26th May, 1849,
besides Sheriff's fees.

THOS. JONES,
Sheriff of Charlotte
13th June, 1854.

To the Free and Independent Electors of
Charlotte.

GENTLEMEN,

At the urgent solicitations of a num-
ber of the liberal and independent Free-
holders of this County, I have consented to
become a Candidate at the Election. In
taking this step, I am fully sensible of the
important duties devolving on a Representa-
tive—and as my opportunities for acquiring
a knowledge of the wants of the County,
have been extensive, and I always a silent
but a tentative observer of the "sayings and
doings" of the "Collective Wisdom,"
I believe I can legislate quite as well for the interests
of this, my native County, as any of those
who now offer themselves for your suffrages.

I am, in the true sense of the word, a
liberal. I will, if elected, advocate an
extension of the Franchise—Vote by Ballot
—Registration of Voters—a liberal and
extensive system of Education—"Free
Trade and Sailors' Rights"—encourage-
ment to the Farmer—the opening up of the
County by Railways and Bye Roads—the
building of Bridges where required. I
would also advocate the payment of Jurors
—encourage the Fisherman by bounties and
otherwise. I would advocate the improve-
ment of Navigation, and afford protection
and shelter by the erection of Light Houses
—opening up of Dark Harbor, and other
places, as I well know the benefit of a safe
harbor—my avocation, that of a Ship
Master, having taught me the necessity of
such lights and refuge.

It may be objected that, as a *Seaman*, I
can have no little knowledge of land af-
fairs. To those who from want of knowl-
edge make such an objection, I can only
say, that a sailor of observation has better
opportunities of judging of the advantages
of unfettered trade, and a good system of
agriculture, than he who never was a hun-
dred miles from his own door.

The limits of a Card will not permit of
my entering as fully as I could wish into an
exposition of my views, but I shall have the
pleasure of seeing you at the Hustings,
when I will give you my political creed in
full. Though last in the Field, I trust I will
not be least on the Poll.

I am, Gentlemen,
Your obedient servant,
WM. MELONEY.

June 14, 1854.

TO THE FREEHOLDERS OF
CHARLOTTE COUNTY.

GENTLEMEN,

At the urgent request of many of
my friends, I intend offering myself a Can-
didate for your suffrages at the ensuing
Election of Representatives for this County.

I was a Candidate at the last General
Election, and although I met with (but few
exceptions,) all the encouragement I could
have expected, coming into the field as I
did, only two days previous to the day of
nominating the Candidates; I have no reason
to think that you have changed your
opinions with regard to my capability and
honesty of intention to serve you as a Re-
presentative; and should you, upon mature
deliberation, which, in such cases ought to
be the governing principle, without regard
to sectarian or party views, return me by a
majority of votes, you may rely upon my
most earnest endeavours to subserve the
interests of this County, and the interests
of this Province generally.

My POLITICAL PRINCIPLES ARE—
Free and unfettered trade, and reciprocity
where it can be had upon reciprocal
terms.—The simplifying of all legislative
enactments to the comprehension of all
persons of ordinary understanding. A more
extended system of education, with a due
regard for the agricultural interests of the
County; as well as the protection and
encouragement of the fisheries—and the
just appropriation of all legislative grants;
and all reforms which are calculated to ad-
vance the general interests of this Province
—develop its people—I shall advocate with my
utmost ability.

I am a native resident of this County for
upwards of fifty years; and refer you to
my past conduct as a recommendation for
future responsibility.

Ever thankful for such a share of support
as you may think me worthy of,
I am, Gentlemen,
Your obedient servant,
ISAAC KNIGHT.

Saint George, June 1, 1854.

TO THE INDEPENDENT ELECTORS
OF THE COUNTY OF
CHARLOTTE.

GENTLEMEN,

In compliance with a requisition
numerously signed, and anxious to serve the
County in the way that you desire, I intend
to come before you as a candidate at the ap-
proaching Election, and have for that purpose
vacated my seat in the Legislative Council.

Having been elected five times in suc-
cession by your fathers and yourselves, and
having served in the House of Assembly as a
"Member for Charlotte," for twenty years, at
a time when our Provincial Governments
were in a changing and unsettled condition;
and having ever been a supporter of those
measures which at length placed the ingrate-
ful resources of the Colony, and the Govern-
ment thereof also, in the hands of the people
themselves—my "sayings and doings" are
recorded with the public transactions of that
important period, to which, as indications of
my future course, I respectfully beg leave to
refer you.

My principles with regard to the science of
Government, and political economy, remain
unchanged; and should I have the honour to
be again returned as one of your Representa-
tives, you may expect, on my part, all prac-
ticable endeavours to improve our Educational
system, in order that useful knowledge may be
diffused, and the people qualified, not only to
transact the common business of life, but
also to exercise those natural rights of self gov-
ernment, for which I have ever been an humble
advocate, and which are now so fully con-
ceded by the Imperial authorities to the in-
habitants of the Colonies.

I will endeavour to discourage vice and
immorality, by example as well as by legisla-
tion, and do all in my power to promote
peace, harmony, and good will, among the
various religious denominations, in order
that they may "dwell together in unity."

As a Political Economist, I am opposed to
the Protective System, and in favour of that
liberal policy so successful in the Mother
Country. I will encourage, by all means,
Agriculture, the Fisheries, Manufactures (in-
cluding Ships and Lumber of all kinds,) and
Commerce; but will not consent to the im-
position of high duties in favour of any in-
terest whatever. On the contrary, I would
impose duties only for the purpose of raising
an adequate Revenue, exempting, as far as
possible, those articles of prime necessity,
required by the operative classes for carry-
ing on their business.

Among the laws that require amendment,
the most prominent are the Revenue Law,
the Election Law, the laws relating to the
Education of youth, the Road Laws, and the
whole system of Internal Improvement, the
Jury system, and several others—and last,
but not least, the constitution and practice of
the Courts of Law, which none but lawyers
pretend to understand, and even that itself is
questionable.

GENTLEMEN.—The present is an age of
progress. Retrogression is impossible. Our
motio should be, "Onward and Upward."
Let us therefore be up and doing. We have
a fine Province, a healthy climate, twenty
millions of acres of land, the greater part of
superior quality, metals and minerals of great
value, and growing value, abundance of timber for
ship building, exportation, manufacture, and
fuel—noble rivers and streams, excellent
harbours, and fisheries around our coasts,
unequalled in the wide world.

We want more people. Let us encourage
emigration—encourage early marriages—en-
courage Loyalty to our Queen and Country
—encourage our sons and daughters to re-
main in the Province, and impress upon their
minds the important truth, that happiness
which is their "being's end and aim," will
be more readily found, and better enjoyed,
among the healthy, industrious, and independ-
ent settlers of New Brunswick, than among
the feverish and excited masses who crowd
the streets of San Francisco!

Gentlemen—I beg to assure you, that it is
from no want of respect that I have omitted
to call on you for your votes, but because I
deem the practice highly improper; you
ought to be your own judges, and exercise
your important privileges freely. Hoping to
meet you at the Hustings on the day of nom-
ination, I remain,
Your faithful servant,
JAMES BROWN.

St. David, May 27th, 1854.

St. David, May 27th, 1854.

TO THE FREEHOLDERS OF THE
COUNTY OF CHARLOTTE.

Gentlemen,

You are again called upon to select
from the freeholders, four fit and proper per-
sons to represent the County in General As-
sembly.

I beg to offer myself as a Candidate for
your suffrages, being called out by requisition
and otherwise to come forward. In case
I should be successful, I will make it my
study to legislate for the people to the best of
my ability.

With respect to my qualifications, I can
only say, that I have had as good an oppor-
tunity of obtaining knowledge and informa-
tion respecting the wants of the County as
most other men having lived my life time in
the Province, and have resided the last twenty
years in this County, and known to man-
of the inhabitants, in whose hands the result
of the Election is left. To those who sup-
port me, I shall feel particularly obliged.

The following requisition has been handed
me, being part of the support I shall receive
in the Parishes of St. George and Pennfield.
I have the honor to be,
Your Obedt. Servant,
JUSTUS WETMORE.

St. George, May 29th, 1854.

TO JUSTUS WETMORE, Esq.

SIR,—The undersigned Freeholders and
Inhabitants of the Parish of Saint George an-

Pennfield, have learned with much satisfaction
of your intention to offer yourself as a Candidate
in this County, at the approaching Election of
Representatives to serve in the Legislature of this
Province. Possessing a full knowledge of your
character and abilities, and being well aware that
in every respect capable of representing their in-
terests, they unhesitatingly tender you their
warmest support.
