Coalitine

2 Gold Medals.
Patented.
Introduced into Canada, 1900.

THE great Scotch invention, the most marvelous
of the age. Guaranteed to be a saving of
37 1/2 per cent. on your coal bill, besides saving
time and labor, giving better fires. No clinkers,
fewer ashes. Harmless alike to boiler plates,
bars, etc.

THINK OF IT!

One Ton of Coal Costs . . . \$6.00
One Third of \$6.00 . . . \$2.00

Saved by an expenditure of 70c the price of 1 tin

COALITINE.

Can you think of a better investment?
To be had from grocers and hardware merchants.
Manufactured by

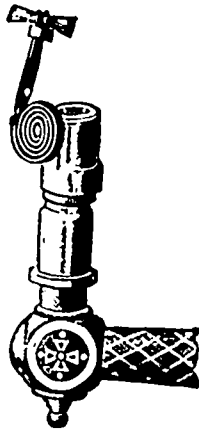

The Coalitine Co.

Agent: J. RITCHIE,

15 St. John Street, MONTREAL.

NOTE.—Coalitine is unlike any coal-saving
compound yet offered for sale, both in matter and
result.
