

HOUSE DECORATION

ELLIOTT & SON are gratified to be able to state that their last season's trade was the most satisfactory in the thirty years' existence of the firm. They attribute the popularity of their efforts to a careful judgment on their part in the selection of designs and artistic taste in their arrangement. With the advantage of a very large decorating business, they are enabled to judge of the effect of various styles of design and colour, and to use the same invaluable experience in the choosing of all their materials, from the cheapest to the most costly. They have pleasure in announcing below some of the leading lines for the coming season:

WALL PAPERS.

The unrivalled productions of Messrs Jeffrey & Co., of London, England, were one of the chief attractions at the Arts and Crafts Exhibition, lately held in London. The Victorian series of Wall Papers made by this firm and designed by Lewis F. Day, Walter Crane, J. D. Sedding, and others, are well represented in our stock. All other lines made by this firm, from 12s. per roll upwards, are in the most perfect taste and allow of the selection of really artistic hangings, at prices usually paid for commonplace designs. We are sole importers of Messrs Jeffrey & Co.'s productions. We will also show a beautiful line of Liberty's Wall Papers, designed and coloured especially to harmonize with their celebrated silk and hangings. These papers are not at all expensive, and will no doubt find a large sale. We have, beyond question, the largest stock in Canada of Japanese and French Leather and Stuffed Papers, among which are to be found some of the most delightful conceptions in decorative art. Our importations of Japanese leathers direct via British Columbia will embrace the productions of three establishments, including the Government factory.

AMERICAN PAPERS.

We have made a careful selection of designs by the best American manufacturers only, the continued cutting in prices having caused deterioration in quality in many lines.

WASHABLE SANITARIES.

Have always formed an important feature in our stock; and encouraged by past success we have greatly enlarged our range of designs for the coming season. Prices at from 2s. per roll upwards.

RELIEF MATERIALS.

The tendency of high class interior decoration at the present time is in the direction of effects in relief. We are the only firm in Canada executing

coined and scrollwork artistically, and carrying a full stock of relief ornaments for all purposes. Our range of designs in Paper Mouldings for cornices, centres, friezes, mouldings, etc., is immense, and as we import direct, we are selling much below the price of any goods brought to this country via the United States. We also show a matchless line of original Relief Friezes, modelled in our own atelier, and capable of exquisite decoration.

LINCURSTA WALTON

Continues to hold the lead as a practical relief wall decoration, and is shown in a number of new designs. Our stock consists of both English and American makes, and is always very complete.

ROOM MOLDINGS.

A range of special designs in all sizes of American mouldings, at low prices. Every design sold exclusively by us. Specimens in picture books.

STAINED GLASS.

Our last season's work in this beautiful art showed a complete appreciation of the capabilities of all the new forms in which glass is now made. We will introduce some very novel effects during the year in the use of opalescent glasses for domestic work.

PARQUETRY FLOORING.

We sell the best American made thin wood flooring and wood carpet, and quote either to supply or lay and finish complete to in borders and all over floors. Specimen floors laid in our show rooms.

HAND-PAINTED TILES.

Painted in our establishment and made to any style of design required.

THE VOCALION.

The Most Important and Beautiful Invention in the Musical World of the Nineteenth Century.

THE VOCALION

Will be found invaluable for Churches, Chancels, Vestries, Choral Societies, Musical Assemblies, Conventions, Lodges, Professional and Amateur Organists. By this remarkable invention, the thin, metallic tone of the reed, as found in the Cabinet Organ and Harmonium (so inadequate to the proper interpretation of Sacred, Chamber, and Orchestral Music), is transformed into a Full, Rich Tone, as found in a Pipe Organ, quite distinct in character, but equally powerful and effective.

Height, 5 ft. 10 inches;
Depth, 32 inches; Width, 7 feet.

THE VOCALION

Is undistinguishable in tone from a richly voiced Pipe Organ. It is the only substitute for a Pipe Organ. It costs One-Half the price of a Pipe Organ.

It is played like a Pipe Organ. It requires little or no tuning. It occupies but one-tenth to one-fifth the space of a Pipe Organ.

It is movable without being taken to pieces. It is manufactured and guaranteed by Messrs S. R. WARREN & SON, the Eminent Organ Builders.

Descriptive Catalogues and Price Lists promptly mailed on application. Orders will be filled in the order of their reception.

Ayer's Cherry Pectoral

Will cure a Cold more thoroughly and speedily than any other preparation in use. This medicine is especially beneficial in all affections of the Throat and Lungs, and affords effectual relief even in the advanced stages of Consumption. Thousands of cases of Pulmonary diseases, which have baffled every other expedient of human skill, have been completely cured by the use of Ayer's Cherry Pectoral. For fifteen years I was afflicted with Lung troubles. Ayer's Cherry Pectoral relieved the distressing symptoms of this disease, and entirely cured me. It is the most effective medicine I have ever used. — C. M. Fay, Prof. of Anatomy, Cleveland, Ohio.

While in the army I contracted a severe Cold, which settled on my Lungs, resulting in exhausting fits of Coughing, Night sweats, and such loss of flesh and strength that, to all appearance, Consumption had laid its "death grip" upon me. My comrades gave me up to die. I commenced taking Ayer's Cherry Pectoral, and it

Last year I suffered greatly from a Cold, which had settled on my Lungs. My physician could do nothing for me, and my friends believed me to be in Consumption. As a last resort, I tried Ayer's Cherry Pectoral. It gave immediate relief, and finally cured me. I have not the least doubt that this medicine

CURED ME.

In the twenty years that have since elapsed, I have had no trouble with my Lungs. — B. B. Bissell, Editor and Publisher Republican, Albion, Mich.

Ayer's Cherry Pectoral cured my wife of Bronchitis, after friends and physicians (so severe was the attack) had almost despaired of her life. She is now in perfect health. — E. Felter, Newtown, O.

When about 22 years of age, a severe Cold affected my lungs. I had a terrible Cough, could not sleep, nor do any work. I consulted several physicians, but received no help until I commenced using Ayer's Cherry Pectoral. I continued to take this medicine, and am satisfied it saved my life. — C. G. Van Alstyne, P. M., North Chatham, N. Y.

SAVED MY LIFE.

I am now ruddy, healthy, and strong. — James M. Anderson, Waco, Texas.

Ayer's Cherry Pectoral cured me of Throat and Lung troubles, after I had been seriously afflicted for three years. The Pectoral healed the soreness of the Lungs, cured the Cough, and restored my general health. — Ralph Felt, Grafton, O.

Twenty years ago I was troubled with a disease of the Lungs. Doctors afforded no relief, and said that I could not live many months. I commenced using Ayer's Cherry Pectoral, and before I had finished one bottle, found it was helping me. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life. — Samuel Griggs, Waukegan, Ill.
