DONALD KENNEDY Of Roxbury, Mass., says

My Medical Discovery seldom takes hold of two people alike! Why? Because two people have the same weak spot. Beginning at the stomach it goes searching through the body for any hidden humor. Nine times out of ten, inward humor makes the weak spot. Perhaps it is only a little sediment left on a nerve or in a gland; the Medical Discovery slides it right along, and you have quick happiness from the first bottle. Perhaps it is a big sediment or open sore, settled somewhere, ready to fight. The Medical Discovery begins the fight, and you fight it pretty hard, but soon you thank me for something that has reached your weak spot. Write me if you want to know more about it.

My bowels now move freely and the pain in my head is left me, and to every body with the same disease I recommend B. B. B. Miss F. WILLIAMS, 445 Bloor St., Toronto.
