TORONTO, DECEMBER 20, 1907.

No. 12.

Bertram Engine Lathes

From 16-inch to 72-inch Swing

To the purchaser : A familiar saying "Just as good as BERTRAM."

We have been building lathes for forty six years and the fact that they are acknowledged as the standard when making comparisons is a positive assurance of their merit.

Send for our catalogue describing the line of lathes we manufacture.
