Directions for Self-Measurement.—First measure from your foot near Boot or Shoe, then stand erect upon a sheet of paper, have a line drawn with a pencil close around the foot, neither wider nor longer; afterwards take a seat, then cross your legs and allow your foot to hang naturally, take the two measurements shown in the illustration beginning at number 1, and again, measuring it from heel to ball at an angle to the first, giving the result of all the measurements in inches, and fractions of inches, and mark the different widths at the other parts. Then enclose the draft of foot and also in a letter with particulars of what kind of Boot or Shoe wanted.  
All orders, if not prepaid, sent C.O.D.

AND RECORDS,**

PREPARED BY THE

Sabbath School Committee of the General  
Assembly of the Presbyterian Church  
in Canada.

The Committee, recognizing the importance of the  
facts that while there are about 1,000 places at which  
the gospel is regularly preached, last year, by Free  
Presbyterian ministers in Canada, there were reports  
from only 977 Sabbath Schools, and of that number  
only 152 are reported as having contributed anything  
to the missionary scheme of the Church, have re-  
cently given much attention to the matter of recording  
and reporting the work done in the Sabbath  
Schools. The average contribution from all the chil-  
dren of the Church during last year was only 10 cents.  
These facts show that a great deal has yet to be done  
to bring our Sabbath School system into a thorough  
condition of efficiency. To attain this end, the As-  
sembly's Committee has prepared a series of Records  
and Reports which are recommended for use by Sab-  
bath Schools and Presbyteries, the adoption of which,  
it is hoped, will be productive of good results. The  
following is a description of them, with the prices  
for which they may be obtained:—

1. "The Sabbath School Class Register," for use  
by the Teacher, containing recording columns for a  
whole year. The names and addresses of the chil-  
dren require to be written only once during the year.  
Price, 15 cents.

2. "The Sabbath School Record," for use by the  
Superintendent or Secretary. This Record, to be  
filled up each Sabbath from the Teachers' "Class  
Register," has columns to correspond with those of  
the "Class Register," in which a permanent record  
is kept of the School Attendance, Recitation, Church  
Attendance and Contributions of all classes. And  
from this "Record" the Quarterly and Annual Re-  
ports are to be filled up. Price, for a book to last  
one year, in paper covers, 35 cents; quarter bound,  
50 cents.

3. "The Quarterly and Annual Sabbath School  
Summary and Report," to be filled up from the pre-  
ceding at the end of the quarter and the year. This  
will show, at a glance, the statistics and results of  
each quarter and the whole year. It consists of two parts: a Summary to be retained in the School, and  
a Report to be torn off at the end of each quarter  
and of the year, and sent to the Convener of the S.  
S. Committee of the Presbytery in which the School  
is situated. The work of reporting, by the adoption  
of this system, will go on during the whole year,  
and the Presbytery's Convener thus be in constant  
communication with all the Schools. Price of this  
Summary and Report in a book to last four years,  
in paper covers, 25 cents; quarter bound, 40 cents.

4. "The Sabbath School Register and Quarterly  
Record," to be used by the Convener of the Pres-  
bytery's S. S. Committee. This contains columns in  
which the names of all the Schools of the Presbytery,  
with the names and addresses of the superintendents,  
and the Quarterly and Annual Reports may be regis-  
tered; and it will afford the materials from which the  
Presbytery's Annual Report to the Synod and Assembly  
may be prepared. The price of this, in a book to last  
for nine years (i.e., in those Presbyteries where  
one part will contain all the schools) will be quarter  
bound, \$1.25; half bound, \$1.75.

N.B.—To Schools ordering a set, a discount of ten  
per cent. will be allowed. This system does not claim  
to be perfect, and suggestions for its improvement  
will be gladly received by the Assembly's Com-  
mittee (Rev. Dr. Jacobs, Brockville, Convener).

**Tenders Wanted.****WELLAND CANAL.**  
NOTICE TO CONTRACTORS.

CALED TENDERS addressed to the under-  
signed, and enclosed "Circular of Lock Gate  
Timber," will be received at this office until the  
arrival of the bidders and Western Wall, on or before  
TUESDAY, the 9th day of FEBRUARY next, for  
the furnishing and delivering, on or before the 2nd day  
of June next, 1886, of Oak and Pine Timber,  
saws to the dimensions required for increasing the  
height of the Lock Gates on the WELLAND  
CANAL.

The timber must be of the quality described, and  
of the dimensions stated in a printed bill, which will  
be supplied on application, personally or by letter,  
at this office, when form of tender can also be  
obtained.

No payment will be made on the timber until it  
has been delivered at the place required on the  
Canal, nor until it has been examined and approved  
by an officer detailed to that service.

Contractors are requested to bear in mind that an  
accepted bank cheque for the sum of \$5000 must  
accompany their tenders, which shall be forfeited if  
the party tendering declines to enter into a contract  
for supplying the timber at the rates and on the  
terms stated in the offer submitted.

The cheques then in will be returned to the  
respective parties whose tenders are not accepted.  
This Department does not, however, bind itself  
to accept the lowest or any tender.

By order,

A. P. BRADLEY,  
Secretary.

Department of Railways and Canals, Ottawa,  
22nd January, 1886.
