THE new Knox church, Brandon, was dedicated on the 13th inst.

THE Degree of Ph.D. has been recently conferred on the Rev. W. Armstrong, M.A., Ottawa, a high and well-deserved honour.

TWENTY-SEVEN new members were recently added to the roll of Knox church, Regina. The total membership is now 140.

THE Rev. Joseph Annand from the New Hebrides, preached last Sabbath morning in College St. church, evening, East Presbyterian church.

ON Tuesday, 5th inst., Rev. John McLaren, Montreal, was ordained and inducted into the pastoral charge of the congregation of Camp, Kilmuir and Lowrie.

THE Rev. Mr. Howie, the blind preacher from P.E.I., just received into the Presbyterian Church in Canada, delivered an address in Dundas, in Dr. Laing's church last Thursday evening, subject, "Lebanon."

THE Rev. Hugh MacKay, our well known missionary to the Indians, Broadview, N.W.T., delivered a most interesting address in the Central Presbyterian church, Rev. P. McF. McLeod's, last Sabbath evening.

IN the suit of Rev. F. W. Smith, of Markham, vs. Markham Accountants, to recover \$10,000 for alleged libellous letters, tried last week at the Civil Assizes here, the jury returned the verdict of \$150 damages for the plaintiff.

A CORRESPONDENT writes—"Rev. Principal McVicar, of Montreal, preached on the 13th June, in Knox church, Embro, to very large audiences, both morning and evening. His discourses were distinguished by great clearness, fervour and power. May he soon return again and be long spared to the church."

ON the evening of Friday, 18th June, Rev. T. T. Johnston, of Wick, lectured to a large audience in Chalmers' church, Woodstock, on "Life among the Negroes of the South." Many of the peculiar characteristics of the black race were vividly set forth. The lecture abounded with pleasing incidents, and was well illustrated by several pictorial sketches designed and executed by Mr. Johnston himself.

A GARDEN party was held last Saturday afternoon under the auspices of the mission-lands of St. James' square and Charles St. Presbyterian churches, in the grounds of Mr. H. W. Dalling, Rosedale. Among those present were Rev. Dr. Kellogg, Rev. Messrs. John Neil, L. H. Jordan, Montreal; A. B. Baird, Edmonton, N.W.T.; W. Balfour, Pembroke.

CHILDREN'S DAY was observed for the first time in Knox church, Guelph, on the 13th inst. The church was beautifully decorated with evergreens, plants and flowers. The scholars filled the centre rows of pews in the building. The Rev. R. J. Beattie, pastor, and Mr. J. A. McCree, Superintendent, conducted the service. Very profitable addresses were delivered by Mr. Wm. Anderson and Dr. McGuire, former superintendents of the school, and by the Rev. F. M. Dewey, of Richmond, Que. The flowers, which were all contributed by the younger people of the congregation, were sent on Monday to the General Hospital to cheer the afflicted ones there.

DECLARED INCURABLE. K. C. McGovern, of Syracuse, N.Y., who is a well-known resident of that place, was declared incurable by his physician, the disease being a concretion of kidney and liver complaint. In two days he found relief in Burdock Blood Purifiers, and in one month he was entirely recovered.

FIVE YEARS OF TORTURE. Mrs. Berkshaw, of Pembroke St. Toronto, cured of a bad lameness of the knee joint, upon which the surgeons were about to operate. Other treatment had been tried in vain. Hayward's Yellow Oil was the remedy used.

Death. JEFFERY.—At the residence of his brother, Andrew Jeffrey, 21 Howard Avenue, Toronto, on Monday, June 14th, Henry Jeffrey, aged 40 years.

SPECIALTIES IN BREAD.

I have subjected to a careful chemical and microscopic examination the two varieties of bread known as "Cobourg Fancy Loaf" and "Digestive Bread," made by Mr. Thomas Adams, of this city, and find them to be entirely free from all adulteration and deleterious admixtures. The "Cobourg Loaf" has evidently been made of the finest flour, and the "Digestive Bread" from ground wheat, from which the bran and gluten-bearing portions have not been separated. In both cases the cookery of the farinaceous constituents has been thoroughly performed—a point of great importance in the process of digestion—and in other respects, as shown by the elasticity, lightness, closeness and uniformity of the loaves, the manipulations of the operator have been those of a skilful and intelligent workman. NORTH AMERICAN LIFE ASSURANCE CO. HEAD OFFICE, . . . TORONTO. FULL DEPOSIT WITH THE DOMINION GOVERNMENT. President—HON. ALEXANDER MACKENZIE, M.P. (Ex-Primo Minister of Canada). Vice-Presidents—HON. A. MORRIS, M.P.P. (Ex-Lieut.-Gov. Manitoba). JOHN L. BLAIR, Esq. (President Canadian Land Credit Co.) Managing Director—WM. McCALL, F.I.A., Esq. Presents to the Canadian Insurance Public the following claims for support:— 1. It is a Home Company. 2. It offers security no exceeded by that of any other Company having \$12 of assets for each \$100 of liabilities. 3. It insures upon the with profit plan; its policy-holders receive all the profits in that branch, and the Act of Incorporation expressly from them from any liability other than the voluntary payment of premiums. 4. It does not give from such profits 10 or 20 per cent. thereof to stockholders, in addition to reasonable interest, as is usually done by Companies having a large capital stock. 5. Its policies are printed in clear, large type, in plain, simple language, and are as liberal in their conditions as it is possible to have them, consistent with safety and equity to the policy-holders generally. Observe the following points, viz: (a) The Policies are indisputable after three years from date of issue, and provide a solid benefit for one's dependents, and not a law-suit. (b) Travel without permit in any part of the world will not invalidate the Policy. (c) Surrender Values are allowed after the Policy has been in force three years, either by paid up Policies or in Cash, and loans are made on arbitrary Policies after they have been in force three years. (d) The age of the insured will be admitted at any time by the Company on reasonable proof, but if not so admitted, any error in the age will not invalidate the Policy.
