LA LANCETTE CANADIENNE, JOURNAL MEDICO-CHIRURGICAL.—This is a new semi-monthly Medical periodical, issued, in this city, from the press of Messrs. Lovel and Gibson, and edited by J. E. Leprohon, M. D. It is published in the French language, and consequently addresses itself more especially to the practitioners of French origin of the Province, who, if disposed, have now an opportunity of familiarizing themselves with the progress of the Medical Sciences in their own language. This journal is printed on a half sheet of double crown paper, and is furnished to subscribers at the price of \$4 per annum. We hail with pleasure the advent of our contemporary, and will be most happy to exchange with him, in accordance with his request. Our own Journal possesses but a very limited circulation among the practitioners of French Canadian origin practising in this Province. A field worthy of culture is undoubtedly open to our contemporary, and equal in extent with it is the responsibility which now attaches to the attempt. From long personal acquaintance with the Editor, we think the management of the journal is in excellent hands.
