A CHEMICAL FOOD AND NUTRITIVE TONIC.

ALL the Organs and Tissues of the body are constructed and nourished by the Blood which holds in solution the material of which are made bone, muscle and nerve, and distributes to each its proper proportion. To insure perfect formation of this vitalizing agent, there must be complete Digestion and Assimilation. When these functions are deranged there will be Dyspepsia, the food will be imperfectly dissolved from insufficient gastric juice, the blood will become watery and deficient in fibrin, the vital principle, and the whole system undergoes degeneration from stercorated nutrition, diseases of the Liver, Kidneys, Heart and Lungs, with Nervous Prostration and General Debility result, and the constitution is broken down with Wasting Chronic Diseases. To enable the Stomach to digest food, and to supply the waste going on from mental and physical exertion, Dr. Wheeler's Compound Elixir of Phosphates and Calisaya is reliable, and permanent in its effects.
