"I heartily recommend Puttner's Emulsion to all who are suffering from Affections of the Throat and Lungs, and I am certain that for Wasting Diseases nothing superior to it can be obtained."

"I have been suffering from Pulmonary Diseases for the last five years. About two years ago, during an acute period of my illness I was advised by my physician to try PUTTNER'S EMULSION. I did so with the most gratifying results. My sufferings were speedily devastated, my cough diminished, my appetite improved. I added several pounds to my weight in a short time and began to recover in strength. This process continued until life, which had been a misery to me, became once more a pleasure. Since then Puttner's Emulsion has been my only medicine. As one who has fully tested its worth I heartily recommend it to all who are suffering from affections of the Lungs and Throat, and I am certain that for any form of Wasting Diseases nothing superior can be obtained."
