#### INSTITUTE OF CHARTERED ACCOUNTANTS OF BRITISH COLUMBIA

At the fifteenth annual general meeting of the Institute of Chartered Accountants of British Columbia, held in Vancouver, many items of interest to the profession were discussed. The report of the retiring president, Mr. W. S. Buttar, dealt with, amongst other matters, the proposed new by-laws and regulations, the raising of the membership subscription, the holding of the annual examinations in December, instead of May, as heretofore, and the alteration of the end of the institute's financial year to 31st January, instead of 30th June.

The following members were elected to serve on the council during the ensuing year, viz.: A. L. C. Chalk, H. C. Chiene, J. D. Forsyth, H. D. Christie, A. H. Edwards, A. F. Griffiths, G. F. Gyles, G. E. Winter and J. B. Woodthorpe.

Messrs. G. E. Winter and G. Tansley were elected to represent the institute at the meeting of the Dominion Association of Chartered Accountants, to be held in Toronto in September next, and it was decided to invite the members of the Dominion Association to visit Vancouver in 1921 as the guests of the British Columbia institute.

At a council meeting held subsequently the following officers were elected: President, J. B. Woodthorpe; vice-president, G. F. Gyles; secretary-treasurer, H. D. Christie.

The Provincial Government has approved the recommendations of the Department of Industry, and voted a loan of \$30,000 to the Canadian Western Woollen Mills, Ltd., \$25,000 to the Settler Cigar Factories, Ltd., \$15,000 to the Aetna Saw Co., and \$15,000 to the Standard Shoe Co.

David Spencer, Ltd., has purchased the McLennan, McFeely warehouse at the northwest corner of Water and Abbott Streets, Vancouver, at the stated price of \$150,000. The property is now occupied by Gibson's, Ltd., and will be continued as a warehouse for the Spencer Co.

## SERVICE

YOU know what it means to have some big event suddenly change sales plans, or induce a change in copy and printing. You know, too, how often most printers fall down when you have a real need for imperative haste, and yet hope for a fine-appearing printed job. In most cases the two are so incompatible that a realization of your hopes is unlikely.

While we, naturally, prefer to take our time on exacting work in the best interest of the client, our facilities are such that, though we may be always rushed, we can still "get up on our toes" to do just a little better for you.

Keep this in mind when you are in a hurry, yet need the best appearing printing possible within the time limit. Keep it in mind, anyhow.
