

*Order Paper Questions*

would, it seems to me, fly in the face of our Standing Orders.

With reference to the answer to Question No. 3,891, what are the (a) names (b) addresses of the head offices of companies which are in tax arrears?

**Hon. Jack Cullen (Minister of National Revenue):** The provisions of Section 241 of the Income Tax Act with respect to the communication of information do not permit the Department of National Revenue to provide an answer to this question.

## COPIES OF ALL DOCUMENTS RELATING TO SUBSIDY OF BOAT CONVERSION

Motion No. 80—**Mr. Marshall:**

That an humble Address be presented to His Excellency praying that he will cause to be laid before this House copies of minutes of meetings, letters, telegrams between the government and the Province of Newfoundland as it relates to federal-provincial cooperation to subsidize the conversion of boats for other fisheries.

[English]

**Mr. George Baker (Parliamentary Secretary to Minister of Fisheries):** Mr. Speaker, almost every activity the government is involved in includes some sort of discussion with the provinces during the formulation, development or implementation of policies and programs. The release of documents exchanged during the preliminary discussion phase related to policies and programs would very probably be detrimental to the future conduct of federal-provincial relations. I would therefore request that the hon. member withdraw his motion.

**Mr. Marshall:** Agreed.

Order discharged and motion withdrawn.

## COPIES OF ALL DOCUMENTS RELATING TO REGULATIONS OF THE FISHERIES LOAN BOARD

Motion No. 81—**Mr. Marshall:**

That an humble Address be presented to His Excellency praying that he will cause to be laid before this House copies of all minutes of meetings, letters, telegrams between the government and the Province of Newfoundland as it relates to amending the regulations of the Fisheries Loan Board to reduce the down payment required to purchase new engines, electronic equipment and used fishing vessels, arising out of the recommendations of the Select Committee on Inshore Fishing.

[English]

**Mr. George Baker (Parliamentary Secretary to Minister of Fisheries):** Mr. Speaker, the government has no papers as they relate to this motion. The committee referred to was a committee of Newfoundland House of Assembly and the recommendation dealing with amending the regulations of the Fisheries Loan Board is identified in the report as a policy recommendation within the provincial domain. I would therefore request that the hon. member withdraw his motion.

**Mr. Marshall:** Agreed.

Order discharged and motion withdrawn.
