

Hon. Mr. Aseltine: I expect it to be here for consideration tomorrow afternoon.

Hon. Mr. Macdonald: Has the leader any idea when it is desired to give the bill the royal assent?

Hon. Mr. Aseltine: The desire is to give it the royal assent at 5.45 tomorrow afternoon.

If the bill has not been passed by that time, the Senate will probably have to sit on Friday.

Hon. Mr. Reid: Is that for more supplementary estimates?

The Senate adjourned until tomorrow at 3 p.m.
