

## Publications

Fundamental Systems of Formal Modular Seminvariants  
of the Binary Cubic: Transactions of the American  
Mathematical Society, January, 1921, pp. 56-79.

The Infinite and Imaginary in Algebra and Geometry:  
a Reply: The American Mathematical Monthly,  
November, 1923, pp. 384-391.

Fundamental Systems of Formal Modular Protomorphs,  
accepted for publication in Transactions of the American Math. Soc.

On the Formal Modular Invariants of the Binary Cubic,  
accepted for publication in Journal de  
Mathématiques Pures et Appliquées.
