Dear Sir Arthur,

In my letter of December 1st I promised I would send you a list of names of those I thought it desirable should be asked to attend any general meeting of the Committee of Hygiene, and I now attach the list hereto.

I have always felt there were not sufficient prominent Montrealers connected with this society, and I think it would be well to invite some, if not all, of those whose names I have given you, in the hope that they will become interested in the work. Otherwise, I think it will be very difficult for you to get the amount of money you spoke of as being required.

Yours very truly,

General Sir Arthur Currie, G.C.M.G.,
