## ALL PATIENTS IN NEW HOSPITAL TONIGHT

terday-As Many to Go Today.

It was a real joy ride that forty patients in the General Hospital had yesterday when they were moved from the old buildings on Gerrard street to the new ones on College street. The moving started as early as 7 o'clock in the morning and by 10 o'clock the work for the day was over. There are still forty-four patients in the public medical ward to be moved, and it is thought that they will all be safe in their new quarters tonight.
