ICKENS FELLOWSHIP ARRANGES FOR SEASON

Several Out-of-Town Engagements Scheduled - First Meeting Last Night.

Beginning the season of 1914-1915 the Dickens Fellowship held the first S. Williamson. An English visitor from Yorkshire congratulated the Fellowship on the very large attendance which far exceeded anything he had ever seen in England. Miss B. Walter gave the scene in which Pickwick got into the wrong chamber at the "Greet" into the wrong chamber at the "Great White Horse," and she was encored Mr. Williamson read some passages of an amusing character from a volume he has prepared for publication entitled "Charles Dickens in Canada." When Dickens was in Montreal in 1842 he took part in amateur theatricals which were given, according to the printed program at the "Queen's theatre." When repeated for the benefit of the manager, the program still announced the "Queen's theatre" al-the there was no theatre of that name in Montreal and the benefit perform-ance was actually given at the Theatre Royal. Mr. Williamson writes an ex-planation. It is the custom when military theatricals are given as military theatricals are given as on this occasion, where they are given privately, to style the temporary hall in which the performance has been given by some such name as the "Queen's theatre." When the benefit performance was transferred to the "Poyst" the performance was transferred to the "Royal" the programs may not have been changed. Any information on the matter will be welcomed by Mr. Willamson. The Toronto Dickens Fellowship Players assembled after the meeting to make arrangements for their season which already includes several out-of-town engagements, the proceeds of which are to be devoted proceeds of which are to be devoted to the various benefit and patriotic to the various benefit and patriotic funds organized in connection with the war relief. The regular meetings of the Fellowship will be held every third Friday evening of the month till April 16, in Y.W.C.A. Hall.

ROME, Oct. 16.—The Messagero says that a number of Austrian spies are in northern Italy under the direc-tion of Vice Chief of Police Haiuman of Trent, watching Austrian subjects of Italian nationality who have escaped into Italy.

Makes Face Young

A fretful expression, a wrinkled face and a faded complexion do more to drive the male members from home than is commonly supposed. It was one of my greatest difficulties to appear smilling, fresh and elegant when my dear ones were with me. But I have overcome all that. I have changed my mental attitude and I now find it second nature to look cheerful. Due partly to this, partly to a remarkable treatment recommended by a friend, my appearance has so improved I look fifteen years younger than before. A simple face lotion made by dissolving an ounce of powdered saxolite in a half-plnt witch hazel, proved a wonderful wrinkle-chaser. I still use this occasionally. To renovate my complexion I purchased an ounce of ordinary mercolized wax at my druggist's and before using the up, a marvelous transformation had also place. It was like removing an unathy mask, revealing a new face, a youthul complexion of distinctive delicacy, clear, white and velvety. I meroly applied the wax like cold cream before retiring, washing it off mornings. Tendays' treatment sufficed.—"Aurilla" in retiring, washing it off mornings. I days' treatment sufficed.—"Aurilla"

Jury Convicted Austrian Reserv ist on Circumstantial Evidence -Maintained His Innocence.

Altho Dymtro Zesexuk stoutly declared before the assize court jury yes-terday that he had not attempted to kill and rob a fellow-countryman, John Zabalinski, by smashing his skull with an iron bar in a bush near Swan-sea last June 11 and tried to shelve the crime upon another Austrian named Chowck, the jury found Zes-exuk guilty, and Mr. Justice Britton will pass sentence upon the Austrian ex-soldier later.

crown and all the evidence was cir-cumstantial. Neither counsel addressed the jury, and within five minutes they returned with a verdict of guilty. Witnesses swore to having seen the two men call at the Dominion Sewer Pipe Company and ask for a job at the same hour. They were seen together later talking in the bush, and a woman started that she had seen the prisoner running at full speed away from the place where she had seen the wounded man lying bleeding and unconscious with his pockets turned inside out. Chowck was arrested, but the grand jury returned a no bill, and Zesexuk, who was arrested a week after the fracas, declared then and afterwards denied that he had ever known the victim. He admitted that he had been picking berries with Zabalinski, but tim. He admitted that he had been picking berries with Zabalinski, but did not strike him. Miss Hendrie, who accompanied her, was also in dark blue with octagonal hat to match, edged with stitched white taffeta. His Honor was attended by Mr. Marvin Rathbun. Mrs. Auden, who gave a tea in the principal's residence, wore a becoming green gown and a black ve'vet hat and was assisted by a lot of pretty, girls in looking after her guests, who enjoyed the beautiful decorations of the house, the autumn leaves being exquisite, and Mrs. Auden's beautiful Nankinchina blending with the flowers and berries. The tea table was centred with numerous vasses of scarlet berries, sweet clover and buttercups, which made a most artistic decoration. Miss Ardagh, also gave a tea at the preparatory school. The hostess looked very handsome in shades of old blue striped ninon over satin.
