# WEEKLY HANDICAPS

Central athletes were out in force for the regular weekly handicaps Tuesday night. The track was in the best shape that it has ever been in and every event was keenly contested, with the exception of the pole wallt, which never draws a large antry. The feature and most popular event of the evening was the one-mile walk, with eleven walkers on the mark. One walker, out for the first time, refused his handicap and started on scratch with Freeman; he gained thirty yards in the first half-lap, but dropped out when caught at the quarter-mile mark. Fred Jarrett is improving so rapidly that he handicapper was completely outguessed, and Fred won easily, with Don House second and Herb. Hill third. Altho Freeman, Williams, Foster and Mertens walked seconds faster than ever before this year they could not overtake the handicaps. Jake Freeman walked in 7.02. The mile and a half was a race and Walter Newell had to work to win, with Bill Winfield second and Charlle Barnes, who must have been tired after winning two firsts last night, third. The feature and most popular event two firsts last night, third.

two firsts last night, third.
Jack Fitzgerald won the pole vault after making five good vaults, with Frank Riddell second and Harry Riddell third. In the 300-yard rain Harry Riddell, as usual, disposed of a large field. George Gault, from the five-yard mark, took second place from Wheeler by inches. A blanket would have covered the next four men
