Preparations Made for Opening of Season at Large-General Meeting.

meeting ever held by the popular east end association. President F. C. Waghorns was in the chair, and Vice-Presidents C. L. Mulholland, Geo. W. Cruise and Secretary-Treasurer F. D. Smath were also in attendance. Among the speakers of the evening, who all spoke befittingly of the success of the league in past years, and the bright prospects for the future, was Mr. Harvey Sproule, the prominent hockey referee, whose address was well received by all present.

whose address was well received by all present.

The motion at the last meeting, to grant soluters the same privileges in this league as in the O.H.A., evidently had a good effect, as, while most of the teams will have soldiers amongst their players, an application was also received and unanimously accepted from the 124th Battaion for admission to the senior series. Applications were also received and accepted from seven new senior teams, six intermediate, five junior and six juvenile, they being the largest number of new teams to apply in any one season for admission since the league was organized, which speaks well for the success of the Beaches Hockey League, despite the number of hockey players who have enlisted and left the city.

The following amendments and additions to the constitution of the league were adopted:

Premier Asquith Says Classification of Returns is Enormous Task.

LONDON, Dec. 20.—The eagerly-awalited figures on the Earl of Derby's recruiting scheme will not be available tomorrow as expected.

Premier Asquith explained to the house of commons this afternoon that the complexity of the task and the enormous difficulty of classifying the figures made it impossible to complete the work last week, but the Early of Derby hoped to send in the general result tonight.
