With 130 Illustrations by the Author. 12mo. Cloth, \$1.75.

"Which one of us, whether afoot, awheel, on horseback, or in comfortable carriage, has not whiled away the time by glancing about? How many of us, however, have taken in the details of what charms us? We see the flowering fields and budding woods, listen to the notes of birds and frogs, the hum of some big bumblebee, but how much do we know of what we sense? These questions, these doubts have occurred to all of us, and it is to answer them that Mr. Mathews sets forth. It is to his credit that he succeeds so well. He puts before us in chronological order the flowers, birds, and beasts we meet on our highway and byway travels, tells us how to recognize them, what they are really like, and gives us at once charming drawings in words and lines, for Mr. Mathews is his own illustrator."—*Boston Journal*.
