Professor of Ethics and Economics in St. Paul's Seminary.

Cloth, 12mo, \$1.00; Standard Library Edition, \$.50

"Father Ryan's work on the Living Wage is perhaps the best exposition of the labor phase of the social problem. It has taken its place on the shelves of public and private libraries beside other standard works, while the name of the author is associated with the leading American sociologists.

"The volume is prefaced by an introduction by Professor Richard T. Ely, the noted American economist. As the title indicates, the subject is not merely treated from an economic point of view, but also in its economic aspects—a course of procedure that is somewhat of a departure from prevailing discussions of economic subjects. There is a tendency to treat political economy as a subject related to mathematics. Statistics and axioms are the predominating features. However, the science of political economy cannot disregard the origin and destiny of man.

"'The Living Wage' is based on the principles of Christian philosophy. Its logic proceeds from the Christian conception of the dignity of man. Father Ryan's book is thus a most timely and necessary contribution to sociological literature. That 'The Living Wage' has met the popularity that it has, is evidence of the growing conviction that the social problem cannot be solved except on Christian principles."—*Common Cause*.

"It is refreshing to pick up a book by Dr. Ryan, who is always so sane and so convincing."—*North Western Chronicle*.

"The book is considered the best presentation of Catholic economic thought at the disposal of the general reader."—*Albany Times-Union*.

"That this economic study by Father Ryan is a solid work is evidenced by the fact that it was first published in 1906, and was reprinted in 1908, 1910, and 1912. . . . Instead of appeals to sentiment or glittering generalities, Professor Ryan offers seasoned arguments and precise doctrine."—*Portland Evening Telegram*.

"The most judicious and balanced discussion at the disposal of the general reader."—*World To-day*.
