AT WORK IN 3 WEEKS \$4 Worth of Father Morriscy's "No. 7" Cured Her of Inflammatory Rheumatism.

Mrs.Agnes Edgar, of Grand Falls, N.B., had a terrible time with Inflammatory Rheumatism. Anyone who has had this most painful disease will understand her suffering - and her joy when she found Father Morriscy's "No. 7" had cured her. She says:

"I took Father Morriscy's Prescripti for Inflammatory Rheumatism. I had suffered everything with it, but in three weeks after starting Father Morriscy's Prescription I was able to do my work, and after taking four dollars worth of medicine I was well. I highly recom-mend it any sufferer with Rheumatism."

Rheumatism comes from bad kidneys. The poisonous Uric Acid which they should remove stays in the blood, accumulates in joints and muscles, and causes agony. Father Morriscy's "No. 7" puts the kidneys right, removes the Uric Acid from the blood and the the Uric Acid from the block and whole system, and cures the Rheumatism. 50c. a box at your dealer's, or from Father Morriscy Medicine Co. 14d.
