## HAPPINESS FOR THE BLIND

Thomas Jefferson wrote that all men play on some musical instrument, and are endowed by their Creator with an-allenable rights, including life, liberty provide an independent livelihood. Of allenable rights Heidding fife, fiberty and the pursuit of happiness. Henry George said in "Social Problems" that make a blind person as competent as he would be with sight, but it is surpris-ing to see how much, and what a va-riety of things the blind can accomplish by touch and hearing, under proper guidance. There are in every country make a blind and the every country the see how more blind adults than blind the set of approximately one out of every thou many more blind adults than, blind sand of the general population-who, children, and the institution at Brantfrom causes usually ascertainable, are ford provides to all applicants free ap-deprived of the sense of sight. What pliances by which the adult blind can chance would the blind have in the be taught at their homes to read with pursuit of happiness, if left in igno- their fingers. Children can be much rance, idleness and dependence? For more easily, and more thoroly, taught tunately some provision has been made in the school for the blind, therefore, to brighten the lives and improve the the principal makes his annual appeal condition of these afflicted ones, the to the readers of The World to send much remains to be done to bring On- him the names of any children in their tario into line with the more advanced vicinity who are blind, or whose sight tario into line with the more advanced vicinity who are blind, or whose sight states in America and countries in Eu-is so defective that they cannot be ef-rope. For 40 years the legislature of fectively taught in the public school-Ontario has maintained at Brantford together with the names and postoffice a school for the education and instruc-tion of the blind children and youths is only by the kindness of those who of the province of both sexes, without "seek the happiness of others" that the Turkish chamber of deputies be dissolved is based on the contention that the house is packed with the nominees of the committee of union and progress. The Military League, according to recent despatches from the Turkish chamber of deputies be dissolved is based on the contention that the house is packed with the nominees of the committee of union and progress. The Military League, according to recent despatches from the Turkish capital, evidently has the up-

charge for board, tuition or books; and communication can be established oc- per hand and the committee of union

## Dispute Railway Board's Power

SHERE'S

OTTAWA, July 25. -(Special.) — At the railway commission this afternoon. notice was received that the C.P., G.T.P. and C.N. railways would make a joint application for leave to appeal to the supreme court certain sections of the order issued by the board some weeks ago in regard to the matter of guarding against fires along lines of railway

ERITER STREET in British Columbia. The railways dispute the jurisdiction of the board in the matter, and ask for a reference to the supreme court. The application will be argued for the railway at the first general sitting of the board in Ottawa.

Rosenthal's Murderers Seen in

New York in Past Few Days

- Rose Expects

Protection.

NEW YORK, July 25.-(Can. Press.)

-Efforts to disclose the real conspirators who plotted the death of the

gambler; Herman Rosenthal, have been

abated for the time on account of the

failure of the police to round up the

gang of gunmen who murdered Rosen-

thal in front of the Hotel Metropole."

Nine days have now elapsed since the

gambler was slain, and with the ex-

ception of Harry Vallon, who surran-

dered himself, not one of the gummen in the grey automobile has been brought

to headquarters by the police, tho sev-eral of the gunmen have been seen in

his undivided attention to unraveling the tangled threads of evidence, and

the city during the past week.

the Miniary Leagues demand that the Turkish chamber of deputies be dissolved is based on the contention that the house is packed with the nominees of the committee of union and progress. The Military League.

Field Day at Listowel. LISTOWEL, July 25.-The first day he Listowel races, held here to-de

## Your Best Shopping Guide

SUPPOSE there were no advertisementswhat a worrying task shopping would be! Think how you would miss the helpful information that now guides you to select the best goods, and to know the shops where they can be best obtained.

How difficult to make up your shopping list without first knowing something about the goods you need, or the store that sells them ! Your shopping would be all experiment. You would pay out a lot of money during the slow process of. learning by experience how to avoid . disappointment and dissatisfaction.

Thanks to the high standard of present-day Advertising, no person needs to shop at random. The Advertising columns of a newspaper give you just the information you require to make your best selection of goods or store. Leisurely, in the comfort of your own home, you can plan and decide upon the purchases in view.

JULY 26 1912

From soap to gas ranges-from shoes to automobiles-one gets from newspaper Advertising the information that is essential to safe and advantageous buying.

Newspaper advertisements are the fingerposts on the road to right buying. They are quick and safe guides to the places and goods most worthy of your patronage.

Advice regarding your advertising problems is available through any recognized Canadian advertising agency, or through the Secretary of the Canadian Press Asso-ciation, Room 503, Lumsden Bldg., Toronto. Enquiry
