OTTAWA SENATORS WON ON STICKY ICE

Defeating Canadiens by Three
Goals in Opening Pro,
Game of the Year.

Montreal, Dec. 22.—The professional hockey season was ushered in at the Jubilee Rink on Saturday night when Ottawa Senators scored a well-earned victory over Canadiens 3 to 2, over sticky and heavy going. The match, the first of the National Hockey League schedule, was to have served as an introduction for two new rules, the forward pass and the delayed penalty rule. In the absence of rough play on the off-side pass at centre ice was introduced, and it will, no doubt, have a tendency to make the game faster.

Owing to the heavy condition of the ice, making passing almost impossible, it would be unfair to criticize the new rule. Being strangers to it, the players refrained from taking chances and depended on individual rushes almost throughout the game. The exhibition of hockey furnished was the best witnessed in Montreal in some seasons, the result being in doubt until the final quarter.

Ottawa showed the better condition and thru it was enabled to out-skate their opponents in the final period, when they assured their victory after seventeen minutes of the scheduled twenty in the period had expired. Both teams sent out newcomers to their club. Odie Cleghorn playing at centre ice for Canadiens and Doherty on the wing as a substitute, while Ottawa used Sprague Cleghorn, the one-time star of the Wanderers, on the defense. Both acquitted themselves in a creditable manner, playing more unselfish hockey than they have ever done before.

With Neighbor and Sprague Cleghorn as two regulars, the Ottawa team is much stronger than a year ago, while they also have a good string of substitutes. Canadiens were without the services of Joe Malone, who is still in Quebec, and Bert Corbeau, who was unable to reach Montreal thru illness in his family. In vast contrast to former seasons, rough play was conspicuous by its absence, and the penalties imposed were for minor offences, which prevented the public from witnessing the usage of the new penalty system.

Both teams showed a lack of condition and tired badly during the final period, which was easily accounted for by the lack of practice. Canadiens scored first, but the score was soon evened up and again Ottawa tallied before the end of the first period, which gave them a lead they maintained to the finish. The two first goals were scored by the Cleghorn brothers on individual rushes.

The teams and summary:
Canadiens (2)—Goal, Veizina; defense, Hull, Lalonde; forwards, Darragh, C. Cleghorn; wing, Pitre.

CANADIENS AT ARENA TONIGHT.
The Arenas and Canadiens open the N. H. L. season tonight. The Canadiens will likely be strengthened by Ben Corbeau, their star defense player. He has been a hold-out, but came to terms last night.

Playing Games Outdoors Just Like Two Years Ago

This weather seems strange, following the severest December on record of one year ago when the snow drifts were almost up to the tree tops and the thermometer down to zero. We forget that two winters back it was mild, just like now, and the sporting records show that lawn bowling has been played hereabouts in December and even as late as January.

Last Saturday and Sunday saw the usual activity of an ordinary day in autumn on the golf links. Thirty players were at Lambton and as many at Toronto and Rosedale, where the going was good thru the fields and on the temporary greens. The usual friendly matches were the order of the week-end.

ANOTHER FOR BETHLEHEM.

Bayonne, N.J., Dec. 22.—The champion Bethlehem Steel soccer team retained their unbeaten record at the top of the National League by defeating the Babcock & Wilcox eleven today by 5 goals to 0. The Steelworkers were in their best form and did as they pleased, Fleming, Ratigan and Forrest scoring in their first-half, while Fleming and Ratigan repeated with brilliant efforts before the whistle blew.

TO THE BRICKLAYERS!

Chicago, Dec. 22.—The Bricklayers defeated the Scottish Americans, 2 to 0 today in the National soccer cup series. The contest was the last of the series in the Chicago district.

CANADIAN GOLF DATES

The Royal Canadian Golf Association have decided to hold all championships now that the winter is over, and have allotted next season's amateur competition to the Lambton Club on Dominion Day, July 1, and the following days.
The ladies' championships are to be contested for in Montreal, and the open tournament for amateurs and professionals at Ottawa.
The Senior Golf Association will play off at Lambton in September, after which the annual international match between Canada and the United States will take place over the Apawamis links at Rye, N.Y., 15 players a side.

Donlups are senior champions of the world record for landing a king dolphin. The trophy is made of an abalone and has a base of a brass box long since donated of smokes. There are six members, and their clubhouse is the apartment house in which they live, and belonging to which is the lawn whereon is the course.

WOMAN LANDS LARGEST DOLPHIN.

Mrs. John H. Vall of Los Angeles is now the proud possessor of the world record for landing a king dolphin. Her trophy is a mottled marlin swordfish, when the dolphin struck. This fish fought for twenty minutes before it was gaffed. It weighed 91 pounds, which beat the record held by Dr. F. E. C. Matison since 1911, of 23½ pounds.

TO CURL FOR GRDON MEDAL.

Boston, Dec. 21.—International curling for the Gordon Medal between teams from the United States and Canada will be resumed today by the Boston Curling Club. The games will be held in Montreal. This city will be represented by teams from the Brookline Country Club, the Braintree Country Club and the Boston Curling Club.

For Galt's Golf Curling Bonspiel

Galt, Dec. 21.—Several letters have been read accepting the invitations to compete in the golfers curling bonspiel here on Jan. 7 and 8. Invitations have been sent to twenty clubs throughout Ontario, including Toronto, Hamilton, London, Brantford, etc. S. B. Gundy will bring a rink from the Toronto Club of Toronto.

DENTS OUTCLASSED ST. PATRICK'S TEAM

Winning Sportsmen's Christmas Series and Showing
Some Good New Men.

Dentals are the winners of the Sportsmen's Christmas series for senior teams. They finished by defeating St. Patricks on Saturday night at the Arena by a score of 3 to 1. The Irish put up a great game for over half-way, but lacked the condition to carry them over. The Saints trotted out a team that had a number of players that are new to Toronto fans, and the defence looks about the best of any defence team that have appeared recently. He is big, fast, and can hand out a good, healthy bodycheck. Stinson, at centre, was another new one that gave a favorable impression. Rose was not in condition, and Crooks was good, considering his lack of practice.

For the Dentals, Charlie Stewart was again the star, and any that beat him would have beaten anybody. Box put up a great game and did some nice rushing, and Brown also was good.

The first period was the best of the game, and the Irish held the winners to a one-goal advantage. Brown and Dye grabbed the first goal two minutes after the start, when the latter took the pass and poked it in. Then goals came thick and fast for the Dentals. The first goal was scored by the Rennie, Smylie and Humphrey each grabbed a goal for the Dentals, while Dye and Stinson scored two for the Irish.

The second session was fairly even, with the Dents scoring two and the Irish one. In this time the Irish had the most of the offensive play and given Stewart a lot of work to do. Condition told the Irish in the final session, and Dentals added three more to their total, making the final score 3 to 1.

This game will do the Irish squad a lot of good, and if they get down to practice after the Christmas holidays will have a lot to say in the O.H.A. series.
