HON. FRANK CARVELI ON LABOR UNREST

Too Much Talk About the Troubles of Returned Soldier.

ROAD-BUILDING BEST

No Money Used More Advantageously Than on Highways.

Ottawa, Feb. 13.-"I think that there is a great deal too much talk in some of the newspapers and amongst the public about the troubles R. McKay, K.C., for Toronto of the returned soldier." said Hon. Frank Carvell, minister of public works, at the luncheon of the delegates to the engineering institute convention here today, "and when the government passes an order-in-council which it firmly believes is for the good of the soldiers, and which will prevent them from being exploited, there is a great outcry about the insult offered to the refurned soldiers. Hon. Mr. Carvell forecasted the future Chief Engineer F. G. Clarke, of the policy of the federal department of Toronto Power Co., was again on the This he manifestly regards as Ger tures.

Unemployment. "We realize that there is unemploy- the Toronto Power Co., with a view to ment in Canada. It is not so apparent east of Montreal, but increases terday by I. F. Hellmuth. K.C., counas one goes west. Therefore, we find | sel for the Ontario Power Co. unrest all thru the west. We must also realize that demobilization will be completed in the near future and most of these men will want work within caring for all the troubles of the country, but we feel it our duty to laugh, as counsel vainly poked away take steps to spend the public money with his pencil at the calculation pad. to remedy these causes of unrest and we are going to spend their money sarily followed the method where it will do the most good to-wards relieving unemployment and the witness thru the for the benefit of the returned sol-

Dr. McGuire made a study of the strange case and, satisfied that the actress showed symptoms of insanity, Italian Premier Declines to Consider Arbitration Proposals of Jugo-Slavs.

actress showed symptoms of Insanty, he commended the appointment of a commission in lunacy, Judge Crain added with satisfaction, had had its selected three men to examine into Miss McLeod's condition. The commendation of Jugo-Slavs.

This latter argument, Erzberger added with satisfaction, had had its effect when Marshal Foch dropped the matter.

"I am giving Foch in precise fig-

pensed with.

If you have roaring, buzzing noises in your ears, are getting hard of hearing and fear Catarrhal Deafness, go to your druggist and get 1 ounce of Parmint (double strength), and add to it ¼ pint of het water and all the grounded. strength), and add to it ¼ pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take Anyone who has Catarrhal trouble of the ears, is hard of hearing or has head noises, should give this pre-

TWO TRUMP CARDS IN GERMANY'S HAND

First is Entente's Dread Bolshevism, Says Dr. Erzberger in Interview.

SECOND, WILSON'S POINTS

Inserted Into Almost Every Discussion During the Armistice Negotiations.

(Special to Toronto World and N.Y. Tribune; Copyright.)

submitted today to a long interview covering almost the whole ground of the armistice negotiations. From what he told me about the armistice negotiations it is not difficult to trace V. the main outlines of his strategic Power Co., against the Toronto Power plan. Indeed, he scarcely attempts to conceal it, so sure is he of himself dence grew more and more technical, He evidently considers that he holds with consummate skill for all they ing the case, ordered an adjournment; are worth, and possibly for a good

deal more First, the entente governments are supposed to be afraid of Bolshevism. many's greatest asset. It is obviously to his interest and that of Germany that he make the menace of Bolshevism loom as large as possible to the rich world. With obvious satis-

tions, he said, the entente refused to believe in the reality of the Bolshevism menace altogether. During the second negotiations in December, they admitted that it represented a real danger, at least in and to Germany in the last negotiations, they could no longer deny that Bolshevism had become a real menace to the entente itself

What Germany Can Offer.
To my question, "What has Germany to offer the entente for immediate armistice and peace and early raising of the blockade?"

Dr. Ezberger explained: "We offer the great equivalent that the world shall not be overflooded with Bolshevism, on the other hand, if the blockade continues, we can answer for nothing'

This then is Erzberger's trump card.

si, who has a boarding house at No. 244 West Forty-eighth street, where the actress was living at the time. Ler seemingly dazed condition puzzled keepers in the Tombs prison and the case was called to the attention of Dr. Frank A. McGuire, the jail physician, who is an alienist. It was thought at first that the girl was a drug addict. When she did not improve under medical treatment in prison, it was concluded that Miss McLeod was suffering from a mental disorder.

Mrs. McGuire made a study of the metal three this argument may be described diet. When she did not improve under medical treatment in prison, it was concluded that Miss McLeod was suffering from a mental disorder.

Mrs. Campbell. Capt. Curtis, Mrs. Howard Clemes, lovely in some extent under the financial control want to play; they want to work Toys almost never lazy. Little children do not some extent under the financial control want to play; they want to work Toys almost never lazy. Little children do not some extent under the financial control want to play; they want to work Toys some extent under the financial control want to play; they want to work Toys and some extent under the financial control was to place Germany to some extent under the financial control was to place of Germany. Here his argument may be described as an ingenious combination of two of Germany's trump cards. In the first place, he said that such financial was an ingenious combination of two of Germany's trump cards. In the first place, he said that such financial was an ingenious combination of two of Germany's trump cards. In the first place, he said that such financial was an ingenious combination of two of Germany. Here his argument may be described was an ingenious combination of two data tirst that the girl was a drug addict. When she did not improve under medical treatment in prison, it was concluded that Miss McLeod was suffering from a mental disorder.
