REGULAR WEEKLY AUCTION SALE ON WEDNESDAY NEXT

We have received instructions to sell, without reserve, the following valuable consignment, the property of MR. OLAFSON, MORTLACH, SASK.:

200 Ranch Horses

October 2nd and 3rd

This is an excellent lot of domesticated ranch-bred mares and geldings and a genuine dispersal sale, consisting of all ages from foals up and weighing from 1100 to 1400 lbs. at maturity. These horses are bred from draught and general purpose mares and imported and Canadian-bred registered Clydesdale and Percheron sires. They have sound legs and feet, a splendid quality of bone and undoubtedly most desirable for all kinds of farm work, market gardens, orchard work and delivery work, covering long trips, as they have the weight and stamina to stand long distances.

These horses will arrive at the Stock Yards a few days before the sale. Intending purchasers will be afforded every opportunity for inspection. Remember, this is not a sale of Indian ponies, but of druft-bred grade Clydesdale and Perchero blocky work horses, with good clean bone. Nearly all are halter-broken and see the have been ridden and driven.
