Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, etc.

Those persons are not aware that they can indulge to their heart's content if they have on hand a bottle of Dr. J. D. Keliog's Dysentery Cordial, a medicine that will give immediate relief and is a sure cure for the worst cases.

A Magic Pill-Dyspepsia is a fee with which men are constantly grappling, but cannot exterminate? Subdued, and to all appearances vanquished, in one, it makes its afgearance in another direction.
