# Four Money-Saving Opportunities for Thursday.

It is really surprising to see how anxious some manufacturers are just now to dispose of surplus stocks. It is between seasons with many of them, and of course big sales are important factors at such a time. Hardly a day passes that we are not approached with A POLITICAL CHANGE IN ENGLAND. offers that border on the sensational. Many we are obliged to refuse, simply because the goods are not up to the standard we demand. But if goods are worthy and dependable— certainly against them. The towns especialsuch that we can safely recommend—and we can give them to you at a big saving off regular was the way their demands have been ignored and the concesprices, we are ready to make a deal and help you all we can. That's how we can present sions so freely bestowed by the Governthese four money-saving opportunities for Thursday morning:

### Ladies' Shirt Waists at 50c.

These Waists are made of fine American percales of very neat stylish patterns, all good washing colors, such as pink and white, blue and white, grey and white, mauve and white, with self detachable collars, sizes 32 to 42 bust. These qualities we've never sold for less than 69c each and most of them are our 89c quality. All at one price on Thursday morning, your choice for

### Ladies' Summer Boots

310 pairs of fine chocolate and light brown Dongola Kid Boots, laced and buttoned, some have very pretty vesting tops, all have thin, light soles, very stylish and up-to-date, always sold at 2,50 up to 3.50 a pair. On sale Thursday morning at . . . 1.50

That's enough to crowd the respective sections with eager buyers as soon as the doors open at eight o'clock. What if the breakfast dishes do have to stand a little longer. Better that than miss such a golden opportunity for money-saving.

So far only a beginning has been made at developing these resources, but this beginning has been attended by much success, as witness what has been done in nickel mining at Sudbury, in silver mining on Thunder Bay and in gold mining in the Lake of the Woods and Rainy Lake regions.

The completion of the Ontario and Rainy River and the Algoma Central Railways, besides affording much-needed facilities to corporations engaged in gold, silver, copper and nickel mining, will also open up the famous iron deposits of Michipicoton, Mattawin, Atikokan and Hunter's Island distance.

Promise and Shot Pezzalonte.

Buffalo, July 11.—A coroner's jury this afternoon returned a verdict of deliberate murder against Thomas Collins for the killing of Joseph Pezzalonte on July 4. The evidence was conclusive that Collins, who was standing on a street corner looking at Pezzalonte as he passed by on a bicycle, remarked to some friends: "I guess I'll give that fellow a puncture," drew a revolver and shot him in the back. Collins has not yet been captured by the police.

Munro Park.

The program in Munro Park this week is certainly one of the best free shows ever steen in Toronto. Ozave and Delmo are kings of fun and juggiery, whilst Eugene Lockhart and Robbie Bell are the smartest young dancers seen in Toronto for some time. They are infinitable in their Irish jg. The Gardiner children are greater favorities than ever, and W. R. Fairman is a baritone singer who has made his mark in the best companies, and has signed for year's tour in the States with the best minstrel company on this continnet. On Friday night the Chicago and Tampa Cadets, the Army and Navy Veterans, the be added.

Has Been Called to Meet

This Morning. Ottawa, July 11.-(Special.).-The Committee on Privileges and Elections has been summoned for to-morrow morning, when arrangements will be made for proceeding with the enquiry into irregularities of returning officers and others in connection with the Brockville and West Huron bye elections. In conversation with your cor-respondent to-day, Mr. Fortin, chairman of respondent to-day, Mr. Fortin, chairman of the committee, said that to-morrow's meeting would be merely preliminary to make arrangements for the production of the evidence. He did not think that the investigation would be an easy one and considered it most probable that the committee would meet from day to day, as all the other committees were practically through.
