Beauty

ANNOUNCING Mack Sennett's

In Person

These young women have appeared in a hundred motion pictures. Week after week you have admired them on the screen. You have seen them wearing the chic costumes of the Californian beaches, flitting through the scenes, and between chuckles at the comedians you have admired the beauty of these girls. Now they come direct to London from the Los Angeles studios to make your acquaintance. Their appearance is possible only

IN CONNECTION WITH **JACK CANUCK** IN BERLIN'

This is a five-reel fun film made by Mack Sennett, the master comedy producer of motion picture. It is a burlesque on the Kaiser and his Hun friends behind the battle line, and tells how a young Canadian aviator 'vamped'' Bill and the rest of his crowd and created havoc generally. There's not a thrill or a problem in it. but a laugh every second.

This is the same picture that has scored such wonderful success in New York, San Francisco, Chicago and other of the larger cities. The Bathing Beauties themselves are playing only a limited engagement of the principal Canadian cities. There will be no return engagement.
