BEGINS IN EAST APRIL 21

Western Clubs to Start on the Road-Schedule Meeting in Montreal Feb. 4.

Eastern League fans will be in a position to know just where the clubs of the circuit are to play the opening games.

The schedule meeting of the league is to be held Feb. 4 in Montreal. Naming that city as the one in which the meeting is to be held is a move to put the Canadian town on the map.

The Montreal club owners feel hurt over the way their city is regarded by the other owners of the league, and they will probably put themselves out to give the visitors a good time.

President Powers is at work on the schedule even now. He will probably have two schedules ready for presentation of the league, asking if there were any conflicting dates to be avoided. Rochester is singularly free of rival attractions but some of the cities have racing to contend with. Buffalo, in particular, wishes to avoid a conflict with the racing interests. manager, Mr. Fancuilli, beside him. He also set two other less important re-

four times instead of three. There was much discussion over the extra trip. It was caused by the determination of the western clubs not to open at home, because of climatic conditions. Baseball in April is out of the question in Rochester, Buffalo, Toronto and Montreal, except under abnormal conditions.

This season the western clubs are to open in the east as usual, but will close at home, co but three trips down east will be necessary. That will make the drawing up of a schedule a comparatively easy matter.

Cians and flew three miles, but tailed to equal the speed set by Curtiss in his biplane.

The flights of four aeroplanes in the alir at the same time breasting a stiff wind that sported dangerously with the delicate craft, furnished 30,000 spectators at aviation field an exciting final of an afternoon that promised to be rather tame.

The first serious accident of the meet occurred to-day, when Edgar Smith,

drawing up of a schedule a comparatively easy matter.

President Powers is a committee of one
on the schedule. Last year, the owners
did not like either schedule he presented,
and they drew up one of their own, which
was more or less of a botch job.

It is likely that the season will open
abcut April 21 in the east, and the western clubs will be at home the first week
in May.

GLEN CURTISS' NEW RECORD Hour.

LOS ANGELES, Cal., Jan. 11.-Glenn H. Curtiss, who yesterday was eclipsed by Louis Paulham's spectacular feats on the first day of the aviation meet, the immense throng with daring and spectucular flights, but Curtiss estabfor aeroplanes, carrying a passenger flying at 55 miles an hour, with his

chine for his first attempt at flight, was struck down by the metal blades ly gashed and his left arm broken. To complete the day's events, Roy Knabenshue and Lincoln Beachey, in arigible balloons, rose at the same time and gaining a height of about 300 feet, while flying into the wind, turned together and began a race with the wind. Knabenshue, higher by 30 feet than Beachey, won the race by two lengths, over a 1000 foot course.

Barrie Wins at Meaford.

MEAFORD, Jan. 11.—In a junior O. H.
A. match here to-night, Dyment's Colts
of Barrie defeated the Meaford team by
a score of 9 to 7. The score was tied, 2
to 2, at half-time, but in the second half
the superior weight of the Barrie team
carried them to victory. Foucks refereed
and was very fair in his decisions. The
game was clean. Line-up:

street, despite the fact that Varsity have had only two or three practices together. It was a rough and ready game, with Referee Buelah Davidson allowing the T.A.A.C. outfit lots of freedom, and this accounts for their victory.

The score at half time was 3 to 3, and at full time 6 to 6, while in the first five minutes of the overtime T.A.A.C. scored one and added two more in the second half, while Vareity had to be content with one just as the full time whistle blew, thus making the score 9 to 7 in favor of T.A.A.C.

half, while Varsity had to be content with one just as the full time whistle blew thus making the score 3 to 7 in favor of 5 T.A.A.C.

Both teams sadly lacked teamwork, the game being the worst senior exhibition this season. However, in fairness to 14 Varsity, the team tried to play bocker all the time, while their opponents were 3 just the reverse, they resorting to all manners and ways of getting the man, especially the defence, who cross-checked, tripped and did everything else on the repertoire, and whats more they got away with it. Kidd at cover for T.A.A.C., who a has been touted a great defence man, looks a joke, and his methods of last in light repeated will get him in bad with the fans. The diminutive little Keith of Varsity was the object for handing out a duse to, and he got a great old grueling, but he was game and was always looking for more. Towards the last he was cross-checked while in a scrimmage, keeling him over, his head hitting the lee with a thud, for which the offender was promptly hissed by the crowd.

There was one outstanding feature of the game, however, and that was Parker's brilliant work in goal for Varsity, his season. Another feature was the brilliant rush of Armstrong in the first half for Varsity, when he went thru the whole of Armstrong in the first half for anything T.A.A.C. did, and while we all know that referees have their band hights once and awhile, we have yet to see the man who could make them any worse than last night. The teams:

T.A.A.C. (9): Goal, Cochrane: point, Green; cover, Kidd; rover, Allen; centre, Currie; left. Pridham; right, Gooch. Varsity (7): Goal, Parker; point, Caldwell; cover, German: rover, Armstrong; centre, Keith; left, Strome; right, Hanley.

The Granites are to be congratulated on the fine entry, the club evidently desiring to give everyone who desires it a chance. While the rule calls for one rink for every twelve players, the Church-street curlers will have about half their members engaged, the skips going into the competition with their regular men.

Here's hoping that the frost will hold out for the preliminary and first rounds this week!
