**POLLUTION OF STREAMS
 DANGEROUS TO HEALTH**
 Senate Committee Calls For
 United Action to Control the
 Disposal of Sewage, Etc.
 OTTAWA, Feb. 18.—(Special.)—In
 the senate to-day, a report upon the
 effect the pollution of streams has
 upon public health was made by the
 senate health committee thru the
 chairman, Senator Deveber.
 The report called attention to the
 evidence taken by the committee last
 year, and recently distributed in
 printed form, showing the dangers
 which threaten public health thru the
 sources of water supply.
 The committee to-day reported that
 it could not "fall to see that the pub-
 lic health of Canada is being seriously
 imperiled by the custom of disposing
 of sewage, garbage and so forth, by
 dumping it into the lakes, rivers and
 streams of the country," and was of
 the opinion that "the only remedy,
 and the only sound, lie in the
 passage of legislation to control this
 practice."
 "The legislation to be effective must
 be uniform throughout the whole Domi-
 nion, and it cannot be brought about
 by co-operation by the Dominion and
 Provincial Governments."
 "It is, therefore, recommended that
 the commission of conservation, re-
 presenting as it does all the govern-
 ments in Canada, be requested to call
 together the health authorities of each
 province, to meet in conference
 at an early date and endeavor to de-
 vise means whereby this end may be
 obtained."
 "Senator Deveber said that the ques-
 tion as to jurisdiction in matters of
 public health was not clear. However,
 he believed that where the public
 was fully educated to the danger to
 the general health from this practice
 of water pollution, a remedy would be
 found."
 Senator Belcourt said that he was
 confident that the Dominion had suf-
 ficient jurisdiction to control the
 practice of polluting navigable waters.
 Senator Deveber did not dispute
 this, but pointed out that if unnavig-
 able streams were contaminated, the
 pollution was bound to find its way
 down to navigable waters.

THE REAL SPRING SUIT

No Old Goods to Sell---Everything Red Hot From the Mills

**THE ENTIRE STOCK IS HERE---THE ENTIRE STOCK OF NEW SPRING
 cloth for Suits or Overcoats. It is the product---the fresh product---of our OWN
 mills. And we are asking for this cloth, made-to-your-order, in Suits or Overcoats,
 the same as any ordinary tailor will ask for the shoddy, shop-tired goods that crowd his
 shelves.**

**We are able to do this because on the clothes we sell there is only one profit. As a
 rule the "ordinary tailor" has some eight charges to make to your bill. The company
 dealing in a larger way has sometimes the expense bill of a special representative who
 spends two months in Europe, and that adds a little more.**

**So we have rather what you call "the drop" on any other tailoring proposition in
 Toronto. Also we have our Spring Goods here---they are not coming---they are here.**

MADE-TO-ORDER SUIT OR OVERCOAT

No More \$15 No Less

**WHEN YOU ARE GOING TO BUY YOUR CLOTHES, WHY NOT SEE THAT
 YOU ARE GETTING THE LATEST, AND NOT SOME "CLEARING OUT" OF OLD
 GOODS? AND THE MADE-TO-ORDER SUIT OR OVERCOAT WE SELL YOU IS
 WORTH ANYWHERE FROM TWENTY-FIVE TO FORTY DOLLARS AT ANY
 OTHER CLOTHING STORE IN TORONTO.**

**We want you to call to-day, even if you do not purchase---see just what is right in
 the new patterns. Every inch of cloth has but recently arrived from the old land, and is
 guaranteed.**

**If you are not satisfied with the suit or overcoat you get here, just ask for your
 money back---it will be cheerfully refunded.**

**WHAT NEW SPRING AND SUMMER MODELS
 Show.**
 PARIS, France, Feb. 18.—This is the
 first day of the Paris showing of new
 spring and summer models.
 Silks are largely used. Some of the
 colors are blue, cerise, and orange.
 White serge suits have green or black
 collar and cuffs.
 Cheruit shows long sleeves on morn-
 ing gowns, and short sleeves on eve-
 ning gowns. Full gowns of baby Irish
 Coats are shown and have long
 sleeves open V-shape in front. Waist
 line important because of Norfolk
 jacket effect, but higher.
 Paquin shows three-quarter sleeves.
 Glace taffetas for price bill to-day, de-
 cided one of the most important and
 contentious clauses of the measure. It
 decided to throw out the clause requir-
 ing a tax on persons who go outside
 of Canada for insurances, which
 provided that a firm may go outside the
 country for fire insurance by paying
 10 per cent. on the premiums. Senator
 Dandurand said there were many prin-
 ciples involved. The first was, shall citi-
 zens be allowed to freely insure in un-
 licensed foreign companies? This ques-
 tion the committee unanimously an-
 swered affirmatively.
 The next one was, shall all unlicensed
 fire companies be prohibited from hav-
 ing representatives in Canada to solicit
 insurance, or from soliciting directly or
 indirectly? The committee gave a
 unanimous affirmative answer to this
 also.
 The third question was, shall the per-
 son or firm going outside be taxed
 to a certain extent to help maintain
 the insurance department? Supt. Fitz-
 gerald wanted this, but the committee
 by a very large majority decided that
 there shall be no tax for going outside.
 The fourth question was, shall the
 insured, who goes outside Canada be
 obliged to send annual returns as to the
 amount of insurance placed? This was
 answered in the affirmative. The com-
 mittee declared against a return being
 made of premiums paid out and decided
 also to exempt inland marine insur-
 ance from the operations of the act.

 NIAGARA FALLS, Ont., Feb. 18.—
 (Special.)—An abrupt ending to his few
 days of married happiness is the fate
 of William Gleason, an electrical en-
 gineer, who was arrested to-night
 charged with perjury. J. Bradley, the
 young man's father-in-law, swore out
 the warrant, alleging that Gleason had
 committed perjury in swearing that
 Miss Ithen Bradley, to whom he was
 married on St. Valentine's Day, was
 over eighteen years.
 Niagara Falls Welland capital-
 ists are interested in a company which
 has just been formed to construct an

 has been capitalized for \$100,000. It is

St. Andrews Beat U. C. C.
 St. Andrews College defeated Upper
 Canada yesterday afternoon at Mutual
 street rink before a large crowd of howl-
 ing enthusiasts and supporters, by a score
 of 5 to 3. St. Andrews proving better
 finishers than U.C.C. for the latter were
 ahead at half-time, 2 to 1.
 "This annual game was not different from
 the others that have preceded it, for the
 rooting was loud and long, with supporters
 of both sides doing their share of it
 in the first half, but in the last period
 U.C.C. made only an echo to what St.
 Andrews did with their cries of "Hoot,
 Mon, Hoot," and other battles.
 The game was a good one from start
 to finish, with both teams checking closely.
 St. Andrews' forwards were better
 than U.C.C., and they checked back bet-
 ter, while their defence were just as
 steady as U.C.C. with Lelschman per-
 forming wonders in goal.
 Considerable rough work was done at
 intervals, Burkart for U.C.C. not being

well at centre ice. The teams:
 St. Andrews (G)—Goal, Lelschman; point,
 Mathewson; cover, Hasty; rover, Munro;
 centre, McKimley; left wing, McPherson;
 right wing, Wilson.
 Upper Canada (G)—Goal, Blackstock;

International Basketball.
 To-night at the West End Y.M.C.A. the
 fast Rochester (N.Y.) Y.M.C.A. team will
 play the first international game since
 the trouble a few years ago. Rochester
 are considered the champions of the state,
 having defeated such teams as Buffalo,
 Syracuse Y.M.C.A., Brooklyn Y.M.C.A.,
 and many of the smaller teams in the
 state. On New Year's Day they met and
 defeated Holyoke (Mass.) Y.M.C.A., cham-
 pions of Massachusetts. With such a rec-
 ord, there is no doubt that the public will

see this evening a fast game, as the local
 five are in fine shape. The line-up:
 Rochester—Forwards, Riley, S. Valsey,
 W. Valsey; centre, Lanni, Traver; guard,
 Lietzau, Veith, Doan.
 West End—Forwards, Tait, Bickle; cen-
 tre, Brock; guard, Montgomer, Vogan.
 The preliminary game will be between
 All Saints' Olympics and the West End
 Juniors. Both of these teams are tie for
 the city championship. This game will
 be the first of two to decide the cham-
 pionship of Toronto. The line-up:
 All Saints—Forwards, Smith, Alward;
 centre, Spencer; guards, Fullerton, Mack-
 lin.
 West End—Forwards, Robertson,
 Rhodes; centre, Granbery; guards,
 Downard, Clark.
 Referee George Smith, late physical di-
 rector of Vancouver Y.M.C.A. will have
 charge of the games. With such an offi-
 cial, both teams will have to play clean,
 fast ball.

Withdraw Wins Section
 Withrow-avenue seniors defeated Bol-
 ton-avenue senior B' hockey team last
 night by 5-2. The half-time score was
 1-0 in favor of winners. As the section
 depended on the outcome, both teams
 played fast and hard, at times the play
 being quite rough. However, Arnold
 Hoath, the referee, succeeded in keeping
 it fairly clean. Both sides suffered equal-
 ly from the penalties. This win for With-
 row puts them in the finals with Bolton-
 avenue senior A team. The final game
 for the senior cup will be played from
 4 to 6 Monday next, and should prove a
 fast one, as there is at present consid-
 erable friendly rivalry between these two
 teams.
 Bolton (2)—Goal, Herron; point, Gibson;
 cover, Robson; rover, Jones; centre, Wel-
 lings; right, Simpson; left, Dorset.
 Withrow (2)—Goal, C. Ashton; point, Wil-
 liams; cover, Reid; rover, Hackett; cen-
 tre, Crossland; right, B. Jones; left, Jack-
 son.

CONSTIPATION
MUNYON'S
PAW-PAW PILLS
 Munyon's Paw-Paw Pills are un-
 like all other lax-
 atives or cathartics.
 They coax the liver
 into activity by
 gentle methods.
 They do not scour;
 they do not grip;
 they do not irritate
 the bowels, but they
 start all the secre-
 tions of the liver
 and stomach in a
 way that soon puts
 these organs in a
 healthy condition
 and corrects consti-
 pation. In my opinion
 it is responsible for
 all the ailments of
 the bowels, which
 is really a sewer pipe.
 When this
 pipe becomes clogged,
 the whole system
 becomes poisoned,
 causing biliousness,
 indigestion and im-
 pure blood, which
 often produces rheu-
 matism and kidney
 ailments. No woman
 who suffers with
 constipation or any
 liver complaint can
 expect to have a
 clear complexion, or
 good health.
 Munyon's Paw-Paw
 Pills are a tonic to
 the stomach, liver
 and nerves. They
 invigorate instead
 of weakening; they
 purify the blood
 instead of impover-
 ishing it; they en-
 rich the stomach
 and give it the
 nourishment from
 food that is
 put into it.
 These pills contain
 no alcohol, no opium,
 no drugs, no harm-
 ful ingredients. They
 are soothing, heal-
 ing and stimu-
 lating. They school
 the bowels to act
 without physic. Price
 25 cents.
