REGULARS AND YANIGANS PLAY EXHIBITION GAME

Leafs Work Out in Unfavorable Weather at Jersey City—Deal Called Off.

By Canadian Press.
JERSEY CITY, April 7.—In spite of unfavorable weather and ground conditions, Manager Birmingham staged a ball game at West Side Park this afternoon, dividing his squad into Regulars and Yanigans. The Regulars won by a score of 12 to 2.

An inkling as to the probable line-up of the Leafs in their tour of exhibition games was given by the arrangement of the last players into the team which represented the Regulars today. Here is the battle array: Pitchers, The Regulars; Cook; catchers, Kitchell and Kelly; first base, Graham; second base, Blackburn; shortstop, Mahoney; third base, Wheeler; left field, Reid; centre field, Becker; right field, Brackett.

Truesdale has not reported, but he will, of course, play second base when he arrives. The youngster Wheeler performed in excellent form at third base, but he is not sufficiently experienced to hold down the red light bag permanently. His name is already on a Toronto contract, and he is sure to find. There will of necessity be other changes in the line-up before the campaign opens at Newark on the 27th. In this connection it may be said that the tentative deal with the New York Americans for three players has fallen through, and it must admit that I guessed wrong.

George Hooks Witte, the former Giant pitcher and Jersey City manager, was in the Toronto camp today and closed for an exhibition game with his Albany club on Sunday, 10th instant. The Leafs will play the Henriques Cubans at Poughkeepsie the preceding Friday and Saturday.

CALDWELL KICKED OUT AND BROKE W. SCOFIELD'S LEG

Walter Scofield, foreman of the extensive Thorncliffe stable, quartered at the Woodbine track, has his leg broken yesterday afternoon. Scofield has been with the Davies horses ever since Henry McDaniel took charge, four years ago. He was in the stall attending Calgary when that horse kicked him.

BIRMINGHAM HAS A FLOCK OF SPEED ARTISTS IN OUTFIELD

Becker Fastest Thing in Baseball, Says Arthur Irwin—Reid a Winsome Clouter, and Brackett is No Cart Horse.

JERSEY CITY, April 7.—Snap judgment in baseball is very apt to be wide of the mark. As Manager Birmingham of the Leafs says: "You can't tell how far a toad can hop till you prod him."

One can recognize speed at a glance, and Birmingham surely has a collection of speed in his outfield. This snap verdict cannot be wrong. There is really enough fleetness of foot in the Toronto one-way for two ball teams.

The candidates at present are: Becker, Brackett, Reid, Wilson, Layden, Tierney and the manager himself. Birmingham broke into the American League, and Cleveland from the New York State League, made good right off the reel and stayed with the Indians nine years. He has one of the best things going in the American League, and he has been very successful in taking with it. Birmingham is a timely hitter, too, but he is not the best thing going for any of the youngsters who show that they are entitled to his place in the outfield.

Becker has speed. Every spring he has a crop of second Ty Cobbs, but the Leafs have Becker. This is a sure thing. He may not be a Cobbs with the bat, but he can get over the ground like a base and in the outfield he is a much better than the average outfielder. New England League last season whose name is Porter. He is a professional sprint runner. Porter beat the great in Thorpe a year in a hundred. That is some achievement. Becker beat Porter to first from the plate and likewise to second. Arthur Fabre, the Ontario runner, who captured the Boston grind Marathon, will be amongst the absentees from the Canadian contingent, as he has been with the Leafs since he was a boy. He is at present laid up sick. This is a pity, as he has been a valuable player from the running game. He dropped out at a time when he was in his prime, and he is not likely to be back again. He was the best long-distance runner on the team.

Another runner, who first came into prominence by winning the Boston Marathon, is also the Sam Crawford of the Toronto team. He is a brilliant professional career, was Tom at present training with the 18th Sports Battalion as a lance-corporal.

Jimmy Duffy, the Halifax runner, who won the Boston classic a few years ago, enlisted early in the war, and was on the casualty list about three months ago. Billy Bell of the Shamrocks of Montreal, who entered the grind last spring, is also in the likely-looking candidate in Montreal at present, and he is also unable to start on account of a coughing illness, from which he is just recovering.

Billy Crystall Rounds Up Former Canadian Leaguers

HAMILTON, April 7.—Billy Crystall, former manager of the Hamilton Club, is buying himself round up all available players of the Canadian League, but for which clubs he will not state. He is particularly anxious to secure George Pay, Bullock, Edmund Lamy, Johnny Murphy, Johnny Harkins, Todd, Louis Bierbauer, George Dunlap, Cooper, Baahane and Hartwell.

The Canuck Leaguers, at least those who will be fortunate enough to secure jobs this season, will be at least about the country. Frank Shaughnessy intends to build his Warren Club up with Canadian Leaguers, this being quite evident by the securing of Patsy Dougherty and Cozy Dolan of Hamilton, and George Dunlap and Buster Burrill of the Brantford. The Hornell franchise in the Interstate League has been transferred to Erie. By having tries at Central, Canadian and Interstate ball, Erie is getting a fair sample of what is going on in minor league circles.

AMERICAN HENLEY REGATTA.
NEW YORK, April 7.—Plans for the fourteenth rowing of the American Henley Regatta on the Schuylkill River, at Philadelphia, on May 13, were announced yesterday. Twelve contests, including the Childs Cup race, the Commodore's Cup, Princeton, Pennsylvania and Navy regatta, will now compose the most comprehensive program the Henley has had in years.

Herman Bronkie, captain and third baseman of the Indianapolis American Association team, has quit baseball, according to an announcement received here yesterday. He was the owner of the last half of last season Bronkie suffered a slump, and the contract offered him was not as lucrative as last year's. He is expected to play Cozy Dolan at the third station.

Few Canadians, if Any, In Boston Marathon

When the Boston Marathon, the classic long-distance event of eastern America, is held on April 19, the entrants will be composed mostly of American runners. The Canadian entries, owing to the war, will be few, if any. The winner, which likely will be without a single representative, will be the runner who captured the Boston grind Marathon, who captured the Boston grind Marathon, will be amongst the absentees from the Canadian contingent, as he has been with the Leafs since he was a boy.

SHAG PREPARES TO LAND INTER-STATE PENNANT

Old Ottawa Manager Looks Over Field at Warren, Pa., and is Impressed.

WARREN, Pa., April 7.—Frank Shaughnessy, last season with Ottawa of the Canadian League, will manage the team here in the Inter-State League. Shag has just visited the club here and appears most favorably impressed with Warren. He admires the natural beauty of the city's location, but the one thing that strikes his admiration most is the great enthusiasm he finds among the baseball fans here. It is so different to him, inasmuch in Ottawa he had to practically carry the whole thing on his own shoulders. He is pleased to know that he will be given support to the last ditch in this city, and he speaks confidence in the forthcoming baseball season being the best he has ever experienced.

Shag sees no reason why Warren's ball team will not be a pennant-winner. Recently a meeting of the directors of the association at Toronto was held in the Exchange Hotel. It lasted until one o'clock in the morning. One thing brought out was that Shag is not worrying at the condition of matters in the Interstate League. He personally knows every team manager, except, of course, Erie, which team has not yet chosen a manager. Curly Blount, who will manage the St. Marys team this season, played under Shag when the latter managed the Fort Wayne team in 1912. That was the year Shag won the pennant for Fort Wayne.

He has a line on players who are right, and he will instruct to report in Warren, May 1. The local directors have signed up a number who have records that show them to be worthy of places on a pennant-winning team. His visit here was more to dispel the fears of local fans that he was not coming than anything else, and it surely has inspired great confidence in all. The situation was presented to him just exactly as it is, and every body was thoroughly discussed, and Shag will do his best to land another pennant.

Manchester, N.H., Guardian: Charlie Reid, former coal player, should make an impression on the Toronto manager by his hitting ability, but his work in the outfield is somewhat lacking. They hit 'em pretty hard in that International League and if Charlie gets out in the garden some sunny afternoon he's liable to get bumped on the head. An umbrella would be more valuable than a glove to Charles, unless his fielding improves a great deal.

President August Hermann of the Cincinnati Nationals has announced the purchase of First-Baseman Hal Chase of the Buffalo Federals. Chase is now working with the San Francisco team of the Pacific Coast League, and, according to Mr. Hermann, he was wired to report on the purchase price was not at once. Chase has been a leading player, but on the disruption of the Federal League the other big league teams possessed they didn't need him.

JOHN R. BENNETT REFERRED.

Several lively boxing bouts were featured last night in the Labor Temple by the 170th Battalion smokers. W. Crawford of the 170th and H. Toffree, 123rd Battalion, an English boxer, put on a very speedy bout, there was a splendid exhibition of fast footwork and judgment. Alf Palmer, 170th, and J. Sheppard, 123rd, also put on a good bout, the Palmer out-classed the visitor. S. Simons, 170th, and C. Riley, 123rd, and D. Price and T. Callaghan, both of the 170th, also gave a good account of themselves. The bouts were handled by John R. Bennett.

SHAUGHNESSY FAILS TO LAND EX-BRANT PLAYERS

Hopes Are Still Being Held Out for Baseball at Brantford.

BRANTFORD, April 7.—Shaughnessy of Warren, late of Ottawa, was in town this week and endeavored to close with Tom Nelson for the services of Burrill and Dunlop. Nothing doing is the sign hung out by the genial Mr. J. who still holds out hope for baseball here this year. If soldiers are stationed in Brantford, Hamilton and London, organized ball is almost a surety, the Canadian League being set up again, if not, however, the players are likely to be transferred to Shag.

STAR THEATRE.

The attraction at the Star Theatre for the coming week, commencing with the matinee on Monday, will be Blutch Cooper's "Beauty, Youth and Polly" Company, which has been one of the biggest favorites along the route of cities which are visited by the burlesque attraction. Of course, the mere announcement that the production is sponsored by Mr. Cooper is sufficient guarantee to the regular patrons of burlesque that they are to see an enjoyable entertainment.

This season the organization is presenting a performance that is new from the opening chorus to the final curtain. There are three distinct divisions to the program which they are to offer. The opening portion is a miniature musical revue, entitled "A Night on a Roof Garden," which depicts a page from the book of the gay life on Broadway. Then there is an olio of all star vaudeville, and the concluding feature is a scenic burlesque, entitled "Oh, You Seashore."

EDUCATION ESTIMATES BEFORE CONTROLLERS

Increase in Salary Bill of the Technical School is Point of Discussion.

The \$40,000 increase in the salary bill of the technical school, bringing the total increase in the estimated expenditures for that institution up to \$48,737, was the first item to attract the attention of the board of education yesterday. The board of education commenced its consideration of the estimates of the board of education yesterday. The 1916 revenue from the institution is estimated at \$20,000. The educationists ask for \$2,828,136, as compared with the appropriations of last year amounting to \$2,485,805, the increase this year being \$342,331. The total debt charges for 1916 are given as \$932,451, as compared with \$662,186 last year.
