# The Telegraph Illustrated Industrial and Commercial Review

*A Great Issue* **15cts. a Copy** *Soon to Appear*  
*Very Large Circulation* *Very Large Circulation*

The Illustrated Industrial and Commercial Edition of The Telegraph will present to the public facts relative to the foundation, growth and present advantages of St. John, the ideal commercial and residential centre of the Maritime Provinces.

Mention will be made of its ideal water and railroad location; its population and purchasing power; its industries, shipping facilities, rates, etc.

Publicity will be given to its educational advantages, financial institutions, hotels, churches and public parks. Unquestionably the finest edition ever issued by a Maritime Province newspaper.

If you have not secured space, it will be a matter of life long regret, when you have seen this handsome edition in five colors, a work that will be preserved for many months and admired by all.

*There is limited space remaining which can be arranged for if you act promptly.* Better Telephone No. 31a, now!

*Every Progressive Manufacturer and Merchant in The Maritime Provinces Should be Represented*

*European Commercial Exchanges and United States Leading Boards of Trade Will Have Copies on File*
