ES, CIGARS,

Special attention is invited to my Wholesale Department, which surpasses any other house in the trade in this city, not only in the Stock of Goods kept constantly on hand, but in facilities for promptly and faithfully executing all orders received, as it is entrusted to persons who thoroughly understand their business, under my own special supervision.

I would further state that my business is not confined to what is generally termed a Drug and Medicine Store, but it is extended so as to comprise a great many articles required by general dealers throughout the country, all of which will be sold at the lowest market rates.

All persons visiting this city to purchase goods, are respectfully invited to call and examine my stock before purchasing elsewhere.
