Sunday Sport in London.

London, July 24—(Canadian Press)—The expected rush to take advantage of the permission to have Sunday sports in London parks failed to materialize yesterday. Tennis, bowling and boating, which is permitted in most of the parks, attracted a fair number of players and spectators, but net ball, quoits and badminton fell flat. Cricket enthusiasts were severely handicapped by being excluded from fifty-three of the fifty-nine parks, and also by the proviso which prohibits and competition matches in the parks. Footballers are better off, however, having eighteen parks at their disposal, but it is not their season now.

TENNIS.

Rothsey was leading. A tennis match between Fredericton and Rothsey clubs was started in Fredericton Saturday afternoon, but before play was concluded in the evening rain began to fall and six events were unfinished. At that time Rothsey was leading 18 points to 12.

New Courts Opened.

Tennis courts of the Brookville-Torreyburn Community Club were officially opened Saturday afternoon at the club grounds in Brookville. Following play refreshments were served and a dance enjoyed.

Westfield Tennis Games.

Play in the ladies doubles was run through on the Westfield tennis courts on Saturday afternoon and resulted in the championship of the club being won by Miss Janice Creighton and Miss L. Dykeman. The prizes were presented to the winners by Miss Margaret Ewing, the secretary of the committee, at the dance in the evening.

Pandence Players Win.

The Pandence Tennis Club players were guests of the Grand Bay Club Saturday. A tournament was held and the Pandence players won ten out of twelve matches. At the conclusion of play tea was served after which a dance was enjoyed.

BASEBALL.

FIVE BOUTS AT ARMORY MEET

Johnny McIntyre, welterweight champion of the maritime provinces will complete his training here this afternoon for his bout on Tuesday night at the Armory with Howard McKee, a crack Bostonian heavy lightweight. McIntyre since he beat Tom Barrett here on June 6, has defeated Billy Myers of Boston and Tommy Kelly of Lawrence in Houlton and drawn with Cleveland Johnny Downes in Presque Isle and is matched with Sailor Joe Gibbs of Boston for Presque Isle on August 9.

JOHNNY MCINTYRE

McIntyre's last bout was in Houlton on June 19 with Tommy Kelly and McIntyre won by a wide margin. Tommy Willis, a local welterweight, was in the semi-final to this bout, losing on a foul in the fourth round to Eddie McPartland after Willis had floored McPartland twice. The referee contended that Willis hit McPartland before the Houlton bout arose to his feet after being knocked down the second time, but the crowd jeered the verdict. McPartland announced he would box no more. Willis will meet Young Dempsey of this city at the Armory tomorrow night for the third time. This will be the semi-final bout to the McIntyre and McKee contest. Jack Sullivan will box Young Keefe, Earl Penny and Bobby Mason will clash. Young O'Neill and Battling Martin will appear in another bout. The Willis and Dempsey bout is expected to be exciting.

NEW WAR ON COCAINE

French Academy of Medicine Proposes An International Organization. Paris, July 24—An international organization for the control and prevention of the growing menace of cocaine is proposed by the French Academy of Medicine. It is pointed out that large quantities of cocaine are being distributed to the world's markets by Germany, Central America and Mexico. Despite 600 arrests in France last year, the penalties have been insufficient to halt the traffic. The French Academy of Medicine has appointed a commission to frame regulations and to consult the proper authorities in the United States and elsewhere.

THE RIFLE

Although the Canadians did nothing striking in this year's Bisley meet, which was concluded Saturday, it is worthy note that they had four men in the final for the King's prize. The Canadians were somewhat handicapped by a late arrival in the old country and unfavorable weather conditions preventing them from practicing. The rifles brought from Canada were said to have not proved as reliable as was anticipated, and the question arises as to the advisability of keeping rifles in England permanently for use at Bisley. The position of the four Canadians in the King's prize follows:—Pte. Lonsdale, Toronto, 19th; Lt. A. M. Blackburn, Winnipeg, 38th; Lt. E. T. D. Francis, Ottawa, 35th, and Lt. J. Chandler, Woodstock, N. B., 61st.
