GOLF.

Win and Lose.

Omaha, Neb., Sept. 2.—Ted Ray and Harry Vardon, British golfers, played two matches here yesterday. In the forenoon they defeated Kenneth Rex, former state champion, and Sam Reynolds, 1917 trans-Mississippi champion, and four times state champion, one up. In the afternoon they lost to Ralph Peters, state champion, and John Redick, former state champion, 4 and 3.

LACROSSE.

Shamrocks Challenge.

New Westminster, B. C., Sept. 2.—The Shamrocks of Montreal, eastern champion lacrosse players, have challenged for the Minto Cup. Two games will be played at Queens Park during exhibition week on Tuesday, Sept. 28, and Thursday, Sept. 30.

RING.

Gave Dempsey Quite a Go.

Benton Harbor, Mich., Sept. 2.—Jack Dempsey yesterday put in the hardest day's training since he started working two weeks ago in preparation for his heavyweight championship contest with Billy Miske on Monday. In addition to his usual work, he increased his sparring to eight three minute rounds.

Harry Greb, a Pittsburgh light heavyweight, gave a spectacular demonstration in his three rounds with the champion. Greb, although 25 pounds lighter than

Dempsey, time and again made Dempsey miss with his left hooks and countered with swings to the body and head. Miske curtailed his training somewhat, as he was not feeling well. He gave up his road work and limited his boxing to four rounds.

EXTRA FEATURE FOR MOOSEPATH RACES

The local lovers of the light harness horse have received with pleasure the announcement that the Exhibition races will be conducted by the lessees of Moosepath Park and indications now are that the racing will equal if not excel that of last week when so many hair raising finishes were staged.

Instead of a mile-for-all trot and pace it is now the intention to have two free-for-alls, one for the trotters and one for the pacers and thrills will be furnished in both races.

On the opening day, Labor Day, the free-for-all trot will be staged and will have for starters Border Prince, Colorado, L. Roy Miller, Mayor Todd and Licon. The other race on Labor Day will be the green pace and the following horses will face the starter: Christie Dillon, Miss Peter Lincoln, Allie Mac, Helen of Troy and William M. The other classes have not been fully decided upon as yet but will be arranged so that the fastest horses in the various classes will come together.

The management deserves the support of the sporting public for going ahead with the meet and should receive generous support.

ALL RED OFFICERS HAVE SERVANTS

Wives of Majority Also Accompany the Forces on Their March.

Berlin, Sept. 2.—An interesting picture of the Russo-Polish war is furnished by a despatch from a German correspondent who was with the Red forces on their retreat from near Warsaw to Augustowo. He rode in a transport wagon with the wife of the corps commander. The commander, his wife said, was formerly an officer in the Czar's army. "Nearly all the other officers are like him," she said. "Their training is military. There is nothing for them to do but be soldiers. So now they are carrying on the Bolshevik army."

The correspondent observed that all of the officers had orderlies and soldiers detailed as servants. When he made a comment to this effect the commander's wife declared that the weakness of the officers for servants is much more pronounced in the Red army than in the Czar's army. The Red officers from the top down to the commanders of the smallest detachments have one or more orderlies.

She said that her husband received 7,000 roubles per month, but that as she was unable to live on that in Petrograd, where bread is 700 roubles a pound, a suit of clothes 80,000 roubles, she was compelled to follow her husband everywhere and live off the army.

The wives of hundreds of other officers did the same, and they together with the hundreds of non-fighting orderlies, servants and political commissaries and their staffs greatly increased the baggage train.

The woman rejected the Bolshevik idea chiefly because "it destroys family life. For whom shall we live if our children are placed in Government institutions, our husbands in factories, and we in bureaus or factories, to finally wind up in the old people's home?" She complained that she was always on the move, and expressed a longing for a quiet, orderly home life.

JEFF SMITH IS GIVEN DECISION

Halifax, Sept. 1.—Jeff Smith, of Bayonne (N. J.), gained the referee's decision over George Robinson, of Boston, before 1,500 people at the Armories last night after a hotly contested fifteen round bout. Smith was forced to his limit by the colored boxer, who had the better of the second round. He evened up in some of the other, while Smith had several to his credit, particularly toward the close. Robinson generally opened every round by scoring on his opponent who, however, soon returned the blows and hit harder. The eleventh round was the most exciting, with both men mixing it up in a lively fashion. Smith's straight lefts told on several occasions, though they did not worry the Bostonian to any great extent. The referee's decision was received with general approval.

A telegram from Mike McTigue in New York, challenging Smith for a return bout here Sept. 20, was read from the ring.

LIQUOR RAIDS IN NEW YORK, SEIZURES MADE IN TEN PLACES

New York, Sept. 2.—Simultaneous raids on fifty saloons and places alleged to be selling liquor were made yesterday by 150 federal prohibition officers. Stocks were confiscated at ten places.

CREW OF FORMER ST. JOHN CRAFT ON FIRE SAVED

Philadelphia, Sept. 1.—Among the twelve hundred or more passengers landed here by the steamship Haverford were Captain John H. Jasper and his crew of nine men who escaped from their ill-fated craft, the big four-masted schooner Netherthorn, which was abandoned on fire in mid-ocean last month. The crew saved few of their effects. Most of the men belong in Maine, although several are natives of Nova Scotia.

The Netherthorn was formerly the schooner Dorisfontein, and was built at St. John (N.B.), in 1913. On her maiden voyage she was set on fire in the Bay of Fundy by a German submarine, which took off the crew. The men rowed ashore to Grand Manan, and the charred hull was afterwards towed into Maine port, where she was sold, refitted and re-named.

O'HARA DEFEATS CARBONE

Montreal, Sept. 2.—Eddie O'Hara, of New York, middleweight, defeated Frank Carbone of Jersey City on points in a ten-round scheduled bout at the Mount Royal Arena here tonight. Carbone was easily outpointed by O'Hara.

But Dempsey, Jersey City featherweight, was outshaded by Kid Lewis, a local fighter, in a ten-round scheduled bout. Bill Baker of England, bantamweight, was defeated by Mickey Delmont in a six-round scheduled fight. Johnny Russell of New York, bantamweight, outpointed Charlie White of Quebec, in a six-round scheduled fight.
