Great Farewell Sale Now On This Week

THE GEORGES DURAND CO., OF MONTREAL,
BUSINESS ADJUSTERS OF MONTREAL.

Wait—Watch—Wait
Until Friday Morning at 9.30 O'Clock,

EVERYTHING MUST GO!

***The King Square Sales Co. Are
Going Out of Business Forever***

The Georges Durand & Co. are now here with authority to clear out the entire stock of High-grade Ladies', Men's and Boys' Clothing, Shoes and Furnishings Goods. Goods will go at any old price, as everything must be cleared out in at least four days. This will be, without question, the most sensational sale in Men's and Ladies' Goods ever put on in St. John, N. B. Our orders must be carried out and the stock turned into cash!

THE GEORGES DURAND
is the largest concern of the kind in Canada today, being buyers, sellers of all bankrupt, assignment, assignee or salvage stocks of any kind or size. They are the spot cash king of the clothing world.

PUBLIC
This stock is assigned to us to sell. Just think of \$50,000 worth of brand new goods shown on the market and must be sold regardless of loss, cost or value in a short time.

LOCKED UP TIGHT
We have locked the store up tighter than a drum so that we will be able to arrange and mark down the entire stock with all new prices, lower than factory cost. All must go!

Prices Like These Will Empty The Store Mighty Quick

The goods are here to back our prices. You must remember that this is a case of being forced to sell out our entire stock in very limited time. Tell every lady you know about these wonderful values. Spread the news like wild-fire. You will make friends for yourself by doing it. The entire stock will be on display and everything will be marked with all new prices; so be here early. Don't wait until your shoes or suits are gone. Come early the opening day, Friday, at 9.30 o'clock!

Opening Days Are Friday, Saturday and Monday and Continues Seven Days More

**REMEMBER, WE ARE GOING OUT OF BUSINESS
AND OUT FOREVER**
