**CHILEANS BELIEVE
FULFILLING TREATY
WILL PREVENT WAR**

Santiago, Chile, Dec. 13.—President Wilson's note to the Chilean government expressing the desire that questions at issue between Peru and Chile be amicably arranged, and the government's answer to the president's message, were read in the chamber today. The reply declares the government's desire and unshakable determination to preserve peace and to carry out the conditions of treaty of Ancon which, it says, the government believes must solve the controversy between Chile and Peru without the necessity of war.

The chancellor of the chamber declares that Chile has never refused to proceed to the consummation of the treaty of Ancon and that the government would now make the greatest efforts to accomplish this end. The chancellor's declaration is unanimously approved by the newspapers here.

**Kidney Weakness
Produced by
Spanish "Flu"**

One great lesson we can all learn from the Influenza Epidemic is the value of prevention—the vital necessity of remedying all diseases the minute the symptoms appear.

As the result of being attacked by Spanish Influenza many persons have been left with weakened or inactive kidneys. The high fever which prevails during the period of sickness is no doubt responsible for this weakened condition, and in order to restore the kidneys to their former state of health a healing tonic is necessary.

Gin Pills are the acknowledged remedy for all Kidney and Bladder troubles, and Gin Pills taken during convalescence have proved themselves to be the great remedy for rectifying the Kidney weaknesses left by Spanish "Flu."

From all parts of Canada letters are coming in to us stating that Gin Pills have relieved the sufferers from the annoyance and worry caused by weakened kidneys. People are daily finding that the quickest and surest way to remedy the detrimental effects left in the kidneys by Spanish "Flu"—is to use Gin Pills. Gin Pills act as a healing tonic to those inflamed, enfeebled vital organs.

Every "Flu" victim should take a course of Gin Pills not only to remedy immediate Kidney troubles, but to ward off danger of more serious consequences. Gin Pills—Sold Everywhere at 50 cents a box.

For What Ailed Him.

The nervous wreck had explained at great length his symptoms. All that were described in the medical books he had, and some besides—all of which were described at great length.

"Do you understand me?" he finally asked the doctor, when he had ended his enumeration.

"I do," replied the doctor, "and I'll give you something for your pains."

**TAKING UP AGAIN
WORK OF RIDDING
WORLD OF DISEASE**

Rockefeller Foundation Sending Expedition Into South America to Conquer Yellow Fever.

Chicago, Ill., Dec. 13.—Dr. George E. Vincent, president of the Rockefeller Foundation, which has an endowment of \$100,000,000 announced today that the organization after diverting its activities for four years to war relief and army welfare work in which it expended \$21,000,000 will immediately resume its work of attempting to rid the world of disease.

The peace programme adopted by the organization contemplates the expenditure of millions of dollars annually in attacking human ills in every part of the world.

Dr. Vincent said that Major General William C. Georges, until recently surgeon of the United States army will soon head an expedition of scientists to Central and South America, to conquer yellow fever. He will be accompanied by five noted experts and believes that by battling the disease at its source in these countries it can be exterminated in a few years.

The organization will also launch a campaign to wipe out the plague in China and other countries of Asia. The medical university in Peking, China, being erected by the Rockefeller Foundation at cost of \$4,000,000 will be opened later than October 1920, Dr. Vincent said. Another medical university will be built by the organization at Shanghai, China.

**Ends Stubborn Coughs
in a Hurry**

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Any one who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare, and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2 1/2 ounces of Pinex (50 cents worth). Then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Either way, this mixture saves about four-fifths of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight, cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, whooping cough, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, known as the most reliable remedy for throat and chest ailments.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

Woman's Future

Today Women are looking into the possibilities of life insurance. To men, its benefits are well known, but present day needs have forced many women to earn and invest. They need insurance.

A policy in the Canada Life adapts itself to every period in a woman's life:

An Endowment is something to be proud of.

When she is married, the family budget provides her premium deposits.

The policy gives protection in the meantime.

A Woman cannot afford to lose her savings. An Endowment is absolutely safe and sure.

It Helps Her to Save Money

The premiums falling due regularly are an incentive to save money which would otherwise be spent. The premiums are paid just as bills are paid, but the money is saved, not spent.

It Establishes Her Independence

A policy for \$2,000, \$5,000 or more, is a definite possession which remains hers, whether she marries or not. She may have it made payable to herself if she live, to her dependents if she die.

It Protects Her Old Age

Many a woman of fifty-five or sixty wishes she had some money of her own—a small monthly income or a few thousand dollars in cash which would avoid that feeling of dependence upon others.

Why Not an Endowment?

The full amount of an Endowment policy will be paid at maturity. This is a certainty. Other investments might depreciate in value or fail altogether.

It Will be Welcome

Whatever your circumstances may be later on in life, whether married or single, you will find a policy in the Canada Life something to depend on, an asset that is reliable and which belongs exclusively to you. You may need the money when it comes due.
