

"LEST WE FORGET"

PROPOSED WAR MEMORIAL.

In Flanders Fields, In Flanders fields, the poppies blow Between the crosses, row on row, That mark our place; and in the sky The larks, still bravely singing fly, Scarce heard amid the guns below.

We are the dead. Short days ago We lived, felt dawn, saw sunset glow, Loved and were loved, and now we lie, In Flanders fields.

Perhaps the trying incidents, the uncertainties and heartbreaks of the war years have faded into the dim mists of memory, but it takes little to remind us of the heroic sacrifices which were made by those boys of St. John who now sleep beneath the poppies "In Flanders Fields."

TORONTO TRIBUTE TO CANON KUHRING

(Toronto Globe). Rev. Canon Kuhring died on Monday at his home, 69 Howard street, after an illness of three or four months.

Rev. Gustav A. Kuhring of St. Alban's Cathedral and late Canon of the Diocese of Fredericton and Chaplain in the C. E. F., was born in the City of Quebec in 1860. He served his Creator in the days of his youth, beginning work in the Anglican Church in that city at an early age. Later he joined the staff of the Y. M. C. A., under whose auspices he spent nine fruitful years in Quebec, Montreal and Ottawa, leading up to the Christian ministry, to which he was ordained by the late Archbishop Sweetman on his graduation from Wycliffe College, Toronto, in 1891.

In 1895 he succeeded Rev. Henry Grasset Baldwin as rector of the Church of the Ascension and was called from a very happy service there to St. John's Church, St. John, N. B., in 1905. After fifteen years of useful service he returned to Toronto last year to join the staff of the Bishop of Toronto for social service work in this city in connection with the jail and prison farms.

FREE TREATMENT OF TUBERCULOSIS FOR RETURNED MEN

This is Urged in Red Cross Resolution - Report on Memorial Workshop - Sympathy Extended to Miss Kuhring.

A resolution urging the Dominion government to give free treatment to returned soldiers suffering with tuberculosis as a just recognition of their services and as a means of preventing the spread of the disease was passed yesterday afternoon at a meeting of the New Brunswick division of the Red Cross.

E. A. Schofield reported for the advisory committee on the Red Cross workshops. He told of changes made in the former Memorial Workshops and of the plans for still further improvements. It was now practically self-supporting.

A letter from Mount Allison University asked for Red Cross literature to be used as text books. Mrs. F. H. Ellis read the hospital committee report. The report of the sewing committee was read.

Miss Tremaine read the report for the past committee, telling of six children, 79 infants and 1771 women being cared for, six cases treated and seventy-one follow-up cards being sent. The public health nurses' report, sent forward by Miss H. T. McKeljohn, told of 895 visits, 292 child welfare and 610 nursing; 600 school children had been examined, twenty-two health talks given and twenty-five health classes held in the city.

The report of the treasurer, C. B. Allan, told of total receipts for the month of \$908.80; expenditures of \$928.98 including public health nurses, \$381.74; depot, \$269.33; Junior Red Cross, \$160.25; committee, \$14; recreation hut, \$10; campaign, \$12.67; and medical clinics, \$3.60. The balance was \$8,181.54.

The Junior Red Cross report given by Mrs. Harold Lawrence told of thirty-eight branches having been formed with a membership of 1,221. The disabled children's fund totalled \$79.50 and the capital account amounted to \$64.80. The disabled children's fund had been drawn on to care for the first case, a child with a twisted neck, who had been successfully treated at a cost of \$90.95.

Referring to the varied and splendid activities of the juniors, Mrs. Lawrence told of one branch adopting a poor child whose case had been brought forward by the Soldier Settlement Home department. The Chatham branch had made a quilt for the Children's Aid, dressing gowns and comforts had been given to the Anti-Tuberculosis Society.

Two children had been enrolled as individual members. Mrs. Lawrence said in conclusion that it was hoped to have the June issue of the Bulletin a Junior Red Cross number. Authority was given the finance committee to arrange to send a Junior

Immediately—your hair becomes beautiful. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and possess an incomparable softness, lustre and really appear twice as thick and abundant—a mass of luxuriant, glossy, colorful hair.

Besides beautifying the hair, Danderine eradicates dandruff, invigorates the scalp, stopping itching and falling hair. Danderine is the best, cheapest and most delightful hair corrective and tonic. It is to the hair what fresh showers of rain are to vegetation. It goes right to the roots, vitalizes and strengthens them. Its stimulating properties help the hair to grow long, heavy, strong.

You can surely have beautiful hair, and lots of it, if you will spend 35 cents for a bottle of Danderine at any drug store or toilet counter. It is not greasy, like other hair preparations.
