

REPORT OF KIRK-SESSION.

The Kirk-Session, in submitting their statement for the past year, feel that while there is much in the spiritual condition of the Congregation which calls for humiliation, there is also much for which they should be devoutly thankful to God.

The Session deeply regret to notice, that while there are two hundred and forty families in the Congregation, there are only two hundred and fifty-two communicants on the Roll. Surely there are many who might come forward and declare themselves on the side of the Lord. The Session regret also that the attendance at Communion is not always as large as might reasonably be expected. The average number is about one hundred and eighty, too few out of a Roll of two hundred and fifty-two. There is cause for sorrow and humiliation in this, and the Session desire the Congregation to join earnestly with them in the prayer that Almighty God would revive his work among us.
