Resolved,—That we have listened with profound pleasure and thankfulness to God, to the report of Rev. Dr. Dyer, the esteemed Principal of Albert College. We rejoice at the ever-increasing efficiency and success of this important institution of our Church. We are especially pleased that while the College affords to our young people all needful equipment for the secular pursuits of life, it is a centre of religious and spiritual life and power that is of the utmost importance to the truest welfare of our Church. We assure the esteemed Principal and all the members of the Board that we cheerfully extend to them the renewed promise of our heartiest co-operation and continued moral and material support.

ALMA COLLEGE, ST. THOMAS.

To the Bay of Quinte Conference of the Methodist Church.

DEAR FATHERS AND BRETHREN,—The enrolment of students in Alma College this year has reached 150, representing, as in former years, all parts of Canada, and including 21 from the neighboring republic. The results of examinations under non-resident examiners and the Education Department of Ontario show faithful and successful work on the part of students and teachers. The health of the school has been excellent and the spiritual interests distinctly marked. All the voluntary religious services, such as prayer and class-meetings, Bible Classes, Y. W. C. Association and Missionary services, have shown deep religious interest, about twenty students have professed conversion and united with various Christian churches.

The Graduating Class, if successful in their examinations, will be as follows: M.E.L., 7; M.L.A., 1; Elocution, 7; Music, 6; Fine Art, 3; Commercial, 1; total of 25.

The College Relief Fund has now reached about \$20,000, about \$6,000 being added this year.

The Board of Management and College Council are much encouraged that in this year of great financial stringency the attendance has reached so large a number, and that after payment of all expenditures on school account, of the heavy bill of interest and all costs of agency, etc., the year will show a substantial reduction in the debt.

We ask the brethren of this Conference to help us by their sympathy and prayers, and by their active co-operation in increasing the patronage of the school. We also respectfully ask you to appoint a Conference representative on our Board of Management and Trust.

Signed on behalf of the College Executive.

R. I. WARNER, *Secretary*.

B. F. AUSTIN, *President*.
