A Cumberland Co. minister will wed the woman "unanimonsly indorsed by his congregation."

The ship Joseph which was ashore at Grand Manan, arrived in port this morning. The vessel is badly strained, and is making about four inches per hour. James Stackhouse of Carleton who had the contract to get her off, did excellent work, having got her off in the short space of seven days, with a crew of 9 men. The ship is badly haged, keel gone, bridge badly chafed, and beams twisted. The full amount of damage cannot be determined until a survey has been held. The Joseph will be placed on Quinn's blocks tomorrow when an examination will be made.
