**The Price of Fish**

The price of fish has steadily advanced

until now it has reached \$9.50

per 112 lbs. for Shore quality and

\$8.00 for Labrador. In a few

instances \$10.00 has been paid for the

former and \$8.20 for the latter. This

was due to the fact that the fish was

of exceptional quality and the buyer

wanted to make up shipments in a

hurry.

**Armistice Sunday  
Service at St.  
Matthew's**

The annual Armistice Day service was held at St. Matthew's Church, on Sunday, Nov. 9th, by Rev. E. M. Bishop. Representatives of the local branch G. W. V. A., Church Lad's Brigade and Band, Girl Guides and a large number of citizens attended the solemn service raised thankful hearts for the peace which had come to the world on November 11th, 1918.

The hymns, "The Supreme Sacrifice" and Kipling's "Recessional" were sung with great feeling.

Rev. Bishop gave a splendid address in which he dwelt on the great need of brotherhood. With a world hungering for lasting peace and harmony it is the duty of man and man to stand as brothers. Only then

is the peace we crave come to the world. A world where men dwell together in unity and love is the

place which the Master intended it to be.

It is to be hoped that each one of the young people, who were privileged to hear such an eloquent address, will bear in mind the words which they heard and endeavour to put them into practice in their daily life.

At the close of the service the Brigades paraded west as far as the Cross Road and back to their halls where they dismissed.

Mr. E. Ulph, of the W.U. Staff, was in Hr. Grace on a brief visit recently.

**C. L. B. Notes.**

The Brigade extends its sincere sympathy to their "sister service", i.e., the Girl Guides' in the passing to rest of Lieut. Helen Thompson of No. 1 Company, Spencer College, whose funeral took place on Wednesday. Lieut. Thompson was one of the first members in Newfoundland, and a bright pupil, a leader in all College movements, with a brilliant future before her, but the Great Commander has ordered otherwise and called her to join her father, whose death occurred just two months ago. Spencer College Guides, under District Commissioner, Miss Annie Hayward and Captain Nash with some nine officers representing other city companies and Captain Furlong of the Sea Scouts attended the funeral. At the graveside the Guide salute was given. The Guides sent a beautiful wreath made to represent the "Guides' Signal" "I've gone home". This sympathetic touch was very appropriate.

We congratulate Bugler Cook on his sounding the General Salute last night, which shows him a past master of that instrument.

Lieut. G. E. Bartlett of Burin Company was a visitor this week. He reports his Company going strong with 24 on the roll. Lieut. William Martin, a war veteran O.C., is drilling the lads in good shape, and although still suffering war wounds walks some two miles to do his bit for the lads of his Company. Lieut. Martin has the real C. L. B. spirit.

Corporals Day, Thomas Ross and F. Bugden are his staff and regular drills are held on Monday in the Parish Hall. We congratulate Rev. J. Meaden and his officers on their pluck and enterprise in "carrying on" so splendidly.

The staff acknowledges with thanks the original book of records of the founding of the C. L. B. Savings Band from its organizer Col. R. G. Rendell, C.B.E. (Reserve) the founder. It is a very interesting book and contains the work of several highly esteemed officers who have since answered the Last Roll Call.
