

NO MORE PILLS.

The leading doctors of the present day are abandoning the use of Sugar and Gelatine Coated Pills, having found that they are unreliable, being insoluble, irritating and disastrous in their effects upon the stomach and intestines, that they are nauseating to take, and that those who use them are obliged to take them in constantly increasing doses to produce the evacuations required to carry off the waste matter of the system; and not only the doctors but the public too have discovered this, and have been for a long time enquiring why Pharmacists who are able at the present time to clothe the most obnoxious drugs in such lovely apparel that he who takes the draft imagines himself taking sweet drops distilled from delicious tropical fruits, why these Pharmacists do not invent some agreeable substitute for the Cathartic Pills of the 19th Century. Observing this great want, we have succeeded in obtaining and offering to the public **CAMPBELL'S CATHARTIC COMPOUND**, A NEW AND ELEGANT ELIXIR, scientifically prepared containing no nauseating or dangerous drugs to irritate and inflame the stomach and intestines, but a mild and painless Elixir, certain in its effect, that can be readily taken by the most sensitive ladies and children.

A sea-captain was brought before a justice in Marseilles, and mercilessly opposed by the lawyer on the other side. When at length he was suffered to speak, he said: "Your Honor, I ask a delay of one week in the proceedings, so that I may find a big enough liar to answer that man." His request was granted.

CAMPBELL'S CATHARTIC COMPOUND is especially adapted for the cure of Liver Complaints and Bilious Disorders; for Acid Stomach and Loss of Appetite; for Sick Headache and Dyspepsia; for Constipation or Costiveness; for all Complaints arising from a Disordered State of the Stomach.

This medicine being in liquid form, the dose can be easily regulated to meet the requirements of different persons, thus making it equally well adapted to the use of the little child as to the adult. Put up in three ounce bottles, and sold by all dealers in family medicines. **RETAIL PRICE, 25 CENTS.**

"Well, what do you want here?" remarked Mr. Smith, as he sat up in bed and addressed a robber who stood in front of the bureau. "I want money," hissed the man through his clenched teeth, "and be quick about it too." "My friend," retorted Smith, "I've been looking for that for the last twenty years without success; but go on with your work; I'm sleepy."
