ST. JOHN, N. B., AUGUST 24, 1903. LORD SALISBURY. + #

Since the Duke of Wellington died, THE PEOPLE SHOULD HAVE IT. Since the Duke of Wellington died, the death of no Englishman has caused such universal sorrow as that of Lord Salisbury. The Iron Duke was mourn-ed in England perhaps to a greater extent than any preceding English mourns today the man who had not a little to do with its making—an em-pire beside which Britain of the last little thing, and which is big with growth. the death of no Englishman has caused such universal sorrow as that of Lord Salisbury. The Iron Duke was mourncentury, great as it was, appears a little thing, and which is big with promise of incomparably greater de-shall have rolled past. Increased much faster than the taxa-too. Both have exhibited a rapid growth. But what is the right conclusion from the fact that the Canadian Paci-from the fact that the Canadian Paci-the System has a revenue of nearly Sid-

shall have rolled past. But whatever Greater Britain in af-ter time may become, Lord Salisbury will always be an example to its leaders. No better type of public man to gain from the political servitude to which he bound himself. Indeed for which he bound himself. Indeed for the last ten years of his life he had that they also may gain from it a reuch to lose in the way of comfort much to lose in the way of connort and health by holding on. But the country needed him and he quielly gave to it all strength and ability that is business for another transconlinenvenue equal to the customs taxation of Canada. We should say that the argument is the other way. If there was in him until circumstances tal railway, and if there is so muc came that allowed him to step from more in it let the railway and if there is so muc money in it let the railway pay fo the treadmill and sit and rest for a short year before he died. Sincere, a no possible obligation on the part of hater of shams, self-repressing always, he worked for the public for nearly the people to make Senator Cox richer fifty years. During all that time, in than he is. The argument of larger railway spite of the magnitude of the meas-ures with which he had to deal, no sus-

icion of self interest or the slightest isloyalty to the highest traditions of his race and his position ever attached to him. Great as a statesman above any of his contemporaries, he was not carnings .- St. John Sun. ess great an Englishman. The me THE YACHT EXPERT.

nory of him for many years will heighten the political and private ideals of his countrymen.

----A DIFFERENT PROPOSITION.

LOOKS BAD FOR LIPTON.

Ha meets you on the corner, He hails you on the car, He cails you up by telephone And tells you from afar, He braves you in your office, He stops you in the street— The man who knows Reliance Or Shamrock's sure to beat, Government papers are claiming Mr Borden went directly against the previ-He talks of shrouds and rathines. He talks of shrouds and ratilnes, of binnacles and bow, Though all the while you may not ca if Reliance be a scow; He figures up the pressure Upon the Shamrock's mast, And proves by Euclid's theorems That she is mighty fast. ously announced policy of the opposi-tion when he favored the construction of a line through central New Bruns-wick. It is true the opposition objected to this scheme as advanced by Sir Wilfred, who favored the transfer of the road, as soon as built, to the Grand He cites the wind and weather Trunk, which would then be in a post- As factors in the game,

As factors in the game, And shows that calms and howlin tion to completely destroy the useful-ness of the I. C. R. According to Mr. ring snows that caims and p grades Produce results the same. He walks with sailor swagger, A yachting cap he's got--But generally you will find, Was never on a yacht. Borden's proposition the new road and the old one against which it might otherwise compete, would be under the

ame management and could work to gether. There is considerable difference between the scheme which the conservatives opposed and that which is now a part of their policy.

The showing of the cup defender in Saturday's race is rather dampening to the hopes of those who have been backing the Shamrock. In a wind supoosed to be favorable to the Shamrock, the Reliance gained steadily both in reaching and running and it is diffi-cult to see what conditions could arise which would give Sir Thomas Lipton's

rack craft a better chance. However, ir Thomas himself has not lost con fidence and those who follow his ortunes will whistle tomorrow for half a gale which will either favor his boat or prove the defender's superiority in every department of sailing.

ST. JOHN STAR, MONDAY, AUGUST 24 1903.

## LOCAL NEWS.

David Bois has been reported for doing a junk business in the city with-out being a ratepayer. Btr. Vera, deal laden, from St. John, reached Sharpness the other day. Sch. Adelene, from New York with coal came in yesterday morning. Tur Springhill, with one coal laden barge from "Parreboro, reached St. John yesterday. "Among the guests who enjoyed Lord Brasssy's houpitality was Lord Strathcona, who was handsomely gowned in black, with a black bonnet." The appearance of Canada's noble high commissioner must have been striking to say the least.

John yesterday. John yesterday. No. 2 Co., 3rd Regt. C. A., will meet at their drill shed this evening for re-turn of clothing and receipt of pay. Rev. Mr. Parker of Windsor, N. S., addressed a large gathering of sailors in the Seamen's Mission last night. A social will be held tonight, when Miss Upham, missionary among the Boston Upham, will be present.

SAILOR SUITS FOR BOYS of 3 to 9 years-15 different styles to select from in Navy Blue Serges and Worsteds.

in the Seamen's Mission last night. A social will be heid tonight, when Miss Upham, missionary among the Boston sallors, will be present. No. 5 Co., 3rd Regt. C. A., will meet at their armory this evening at 7.30 o'clock for return of all clothing issued and receipt of pay. Str. Manchester, Trader, from Mont-real for Manchester, before reported ushore at South Point, Anticosti, floated the other day. Inspector of Lights Kelly went down the bay on the government steamer Lansdowne the last trip, and will visit several of the stations with a view of making repairs. Rev. A. S. Green, who is attending the Baptist convention, now in session in this city, will speak at the Sparr Cove mission, north end, this evening at 8 o'clock. All members of Nos. 1 and 2 Scots Companies, as well as thome of St. John's, St. Paul's, St. Mary's and Douglas avenue Christian church com-panies, Boys' Brigade, are requested to meet at St. Mary's chruch Sunday school on Tueaday evening at 7.30 o'clock. The board of management of the Seamen's Mission are much encourag-ed, having secured the services of Mrs. Alexander Manuel as collector. Mrs. Manuel is well known in this city as a very estimable lady, and has done excellent work for the above institu-tion in many ways in the past. Henry O'Leary is in the hands of the police, having been given in charge her in their home on City Road. The police were called in to try and make peace in the family, but failed. O'Leary had §63 on his person when arrested. BAPTIST. CONVENTION. earnings is in favor of Mr. Borden's policy. If the people are to pay for the railway and the railwy is to large sums of money the people ought to own the railway and receive the

**BAPTIST CONVENTION.** 

(For today's proceedings see page 1.) At the afternoon session of the Bap-tist convention on Saturday the re-signation of Rev. H. R. Hatch as sec-retary of the 20th Century fund was read.

The report of the nominating com-mittee was heard. It was as follows: 20th century fund committee—Rev. Messrs. Hutchinson, Cahoon, Mann-ing. White, Parker, Day, Corbett, Shute and Gates. Committee on correspondence—Rev. J. Parsons of Halifax, Rev. A. A. Pineo of Wolfville. Committee on resolutions—Rev. Dr. Saunders of Halifax, Rev. J. B. Go-ong of Hillsboro; Bro. J. Wallace of Monoton.

Monoton. Committee on estimates—Bro. A. H Jones, Bro. W. W. Clarke, Bro. F. W Emerson.

The money has lain by ever since for this specific object. It was told the Globe representative that arrangements had aiready been made with Messes. Denny, the great Clyde yacht-builders, to undertake the work if the challenge becomes neces-sary and is accepted. The couple left Nisgara-on-the-Lake nearly a fortnight ago, and are now in New York, whence they will return to Scotland after the cup races. Both were strongly of the opinion that Scot-land should get more of the credit of challenging for the cup, considering that nearly all the yachts which have gone across for this estimable pur-pose have been built on the Clyde. to a decision on any one. Practically

Bicyclists and all athletes depend on BENTLEY'S Liniment to keep their oints limber and muscles in trim.

DEATHS.

WILSON - In this city, on Saturday, Aug. End, 1903, Joseph Wilson, aged 65 years. Remains will be removed on Tuesday morn-ind, 25th inst. to I. O. R. Depot, at 7 o'clock, thence to Upham, Kings Co., Funeral services Tuesday afternoon in Up-ham Baptise church. Interment in Bap-tist cemetery there. ROBERTS - In this city, August 23nd, the infant child of Dr. and Mrs. W. F. Ro-berts.

berts. BMERY.-On Monday, August 24th, 1903, Edgar L. Emery, third son of Elisabeth A. and the late James Emery, aged 31 years. Funeral from his late residence, 58 Billiots Row, on Wednesday, 26th inst., at 2.30 o'clock.

augrestion out of this difficulty is in the convention policy, proposed last year, that the home, foreign and college withdraw from the convention of the denominational alternative the report suggested that it college withdraw from the convention boards to press the claims of the denominational alternative the report suggested that it college withdraw from the convention boards to press the claims of the denominational alternative the report suggested that the college withdraw from the convention boards to press the claims of the denominational for the convention boards to press the claims of the denominational for the convention boards to press the claims of the denominational for the convention was the convention was failed as the convention of \$12 a year.
